Cases & Custody: Overall Counts

- Total Cases is the number of cases open at any point during Q1 2025.
- Kids on Cases displays the number of children who were active on an open case during any point during Q1 2025.
- Kids in Custody is the number of kids who were in custody at any point during Q1 2025.
- Total Cases is a unique count of the number of cases open during the quarter. The numbers in each case category box show the number of cases that passed through each category at any point during Q1 2025. Because some cases pass through multiple categories over the course of a quarter, these numbers will not add up to the Total Cases figure.
- Dual indicates that a case is in Ongoing status but has an active investigation.
