Purpose:

A geographic information system (GIS) shapes state and local government processes, workflows, policies, and engagement with citizens. GIS provides a means to question how we can constantly improve our environment, infrastructure, safety, health, economies, planning, engineering, and ultimately our world. Advancements in GIS are helping governments modernize operations, gain new perspectives on the balance between natural and built environments, and create equitable and inclusive policies. GIS is a mapping platform for agile government and a tool to guide sustainable communities.

<p>Service/Item Description (include quantity if applicable). Indicate whether <input checked="" type="checkbox"/> New <u>or</u> <input type="checkbox"/> Existing service or purchase.</p> <p>Cleveland State is presenting the Public Management Academy #13 for 2024 of which seven (7) County employees are attending. This course is a year-long course, which when paired with the CSU Leadership Academy results in those completed both becoming Ohio Certified Public Managers.</p> <p>In 2023, we restarted our efforts to support County leaders by partnering with Cleveland State University's Ohio Certified Public Manager program, a comprehensive and nationally certified development program for state and local government leaders. The program consists of two year-long cohort modules: the Leadership Academy, which focuses on public sector leadership, and the Public Management Academy, which allows managers to sharpen their supervisory and management skills.</p>

Currently, we have 6 County employees enrolled in the Leadership Academy that ends in August 2024. The proposal attached here is for 7 leaders who are enrolling for the Public Management Academy that begins in March 2024. These individuals have already completed their Leadership Academy certificate, so they will earn their "OCPM" credential in February 2025.

Scope of Work Summary

Department of Purchasing, declaring various property as surplus County property no longer needed for public use; recommending selling said property via internet auction, in accordance with Ohio Revised Code Section 307.12(E). via GovDeals Inc. The anticipated start-completion dates will be fifteen days after BOC approval.

The primary goal of the project is to sell said property via internet auction, to the highest bidder through GovDeals. The auction surplus list (Exhibit "A") is attached.

The project is mandated by the Ohio Revised Code, Section 307.12(E).

Procurement

There is no procurement method for this project. This is a revenue generating project.

The items (Exhibit A) will be sold to the highest bidder; 12.5% of the total purchase price will be paid to GovDeals as a Buyer Premium by the Buyer and the department will realize 100% profit of the item sold, in accordance with the GovDeals contract.

Project Status and Planning

The project reoccurs when County departments have surplus property or seized vehicles no longer needed and recommends selling the property via the internet.

The project planning has four (4) phases. Request Executive's approval to list the item on GovDeals; List & Sell to the highest bidder nationwide; Collect payment from GovDeals and transfer asset to Buyer upon confirmation of payment; Deposit the funds into the appropriate County agency fund.

Funding

There is no cost for this process. The project is a revenue generating project.

Item of Note (non-voted)

Item No. 1

Department of Public Works – Cuyahoga Green Energy; U.S. Department of Energy Award of \$557,250; Authority to Apply for and Accept Grant

Scope of Work Summary

The Department of Public Works – Cuyahoga Green Energy is requesting approval to submit a grant application to the U.S. Department of Energy to support the Cuyahoga County Solar for Schools Program.

The Department of Public Works – Cuyahoga Green Energy is submitting a grant award from the U.S. Department of Energy in the amount of \$557,250.00 for the period of January 1, 2024, through December 31, 2025.

This Solar for Schools Program will provide financial support to five Northeast Ohio school districts in environmental justice communities to collectively install between 500 kW and 1 MW of solar. The goals of this program are to reduce electricity costs for schools and reduce regional greenhouse gas emissions. Estimated total energy savings in year 1 = \$61,105 (conservative

estimate based on 500 kW of installed solar). Estimated reduction in GHG emissions in year 1 = 370 MT (conservative estimate based on 500 kW of installed solar). This program will also increase equitable access to clean locally produced renewable energy and to create a replicable procurement framework for future solar installations.

Contractor and Project Information

The address of the grantor is:

U.S. Department of Energy
Office of State and Community Energy Programs
1000 Independence Ave. SW
Washington DC 20585
Council District – N/A

The program officer for the grantor is Tom Schultz, Technical Project Officer.

Participating school districts include Maple Heights City School District, Euclid City School District, Cleveland Metropolitan School District, East Cleveland City School District, and Cuyahoga Heights City School District.

Project Status and Planning

The project – Solar for Schools - is new to the County.

The project has one phase. Solar installations are predicted to occur in 2024.

The grant performance period began January 1, 2024, and expires December 31, 2025. The award date for this grant was received February 20, 2024.

No signature is required.

Funding

The project is funded 100% by federal grant funds – CFDA 81.128 Energy Efficiency and Conservation Block Grant Program – Bipartisan Infrastructure Law 2021.

Grant funds are paid on a reimbursement basis.

Item No. 2

(See related list of LPA Agreements – Processed and executed (no vote required) in Section V. above).
