	4. What other available options and/or vendors were	
	evaluated? If none, include the reasons why.	
	We are in process of issuing one RFP which will provide	
	proposals for Food, Clothing and Furniture items allowing for	
	competitive bidding to allow us to maximize available dollars.	
	The short term, time-limited exemptions will allow DCFS to	
	continue to provide Emergency Assistance to families while	
	the county' procurement process takes place.	
	5. What ultimately led you to this product or service? Why	
	was the recommended vendor selected?	
	These products have historically been purchased. DCFS staff	
	is currently analyzing the purchases made over the past year	
	to determine the scope and size of the Emergency Assistance	
	RFP.	
	6. Provide an explanation of unacceptable delays in fulfilling the County's need that would be incurred if award was made through a competitive bid.	
	Further delays with this request will impede the agency from	
	adequately servicing children and families.	
	7. Describe what future plans, if any, the County can take to	
	permit competition before any subsequent purchases of the	
	required supplies or services.	
	DCFS plans to release one RFP requesting proposals for	
	Emergency Assistance (Food, Clothing and Furniture items)	
	purchases required to mitigate risk of abuse/neglect and/or	
	to facilitate placement of children outside their own homes.	
	Releasing the RFP will allow for competitive bidding thus	
	maximizing available dollars. It is DCFS' intention to release	
	the Emergency Assistance RFP no later than January 31, 2012
