		<p>Administration.</p> <p>3. Rationale Supporting the Use of the Selected Procurement Method The grant application required identification of service providers. Community Assessment and Treatment Services, Incorporated was identified as the provider of intensive outpatient services for the grant. Community Assessment and Treatment Services, Inc. is able to hire and train the appropriate staff who will be responsible for implementing and continuously improving this treatment component to best meet the needs of the Drug Court population.</p> <p>4. What other available options and/or vendors were evaluated? If none, include the reasons why. For drug courts to be most effective there must be a partnership which includes court personnel and the treatment provider. The partners collaborate in the development of treatment, rehabilitation, and supervision plans for each defendant based on a clinical assessment or diagnostic process. Community Assessment and Treatment Services, Inc. (CATS) is an integral provider for treatment services in Cuyahoga County. Their collaboration with other Court and criminal justice entities has proven invaluable to treatment services within our County. Thus, we collaborated with them to write the Enhanced Opiate Grant and they are listed as a provider within the grant.</p> <p>5. What ultimately led you to this product or service? Why was the recommended vendor selected? Enhanced Opiate Dependency Services, is designed to serve opiate-dependent male/female adult, non-violent defendants eligible for a specialized docket (e.g., Drug Court, Mental Health Court) in the Cleveland Municipal Court or the Cuyahoga County Common Pleas Court. This project will enhance existing treatment protocols by incorporating an evidence-based Medication Assisted Treatment (MAT) paradigm. The project aims to address the rising rate of opiate- dependence within a specialized docket model. Community Assessment and Treatment Services, Inc.
