A Message from...

Council Vice President Yvonne M. Conwell

Dear Neighbors,

While winter seems to have hit us in full force since the start of the new year, that has not stopped your County Council from working hard for its residents!

I am so pleased to announce that I was unanimously appointed by my colleagues to serve as the next Vice President of Council, for the 2025-2026 legislative term. I will serve alongside our new Council President, Dale Miller, as we work to provide services and resources that give residents their best opportunity at success.

We also welcomed three new Councilmembers: District 4 Councilman Mark Casselberry, District 6 Councilman Robert E. Schleper, Jr., and District 10 Councilman Michael J. Houser, Sr. I'm looking forward to learning about their priorities and working with them to move our county forward.

As always, I encourage you to reach out to my office with any questions or ideas—we are here to serve.

Wishing you a productive and healthy start to the new year!

Sincerely,

Yvonne M. Conwell

Property Tax and Board of Revision Appeal Process Informational Meeting

The Cuyahoga County Board of Revision and Fiscal Office is hosting an informational session for District 7 residents to learn about contesting their new property valuations. Last year, the County's Fiscal Office conducted a state mandated sexennial reappraisal to determine the value of all properties within the county. The reappraisal resulted in an average increase of 32% in home values across Cuyahoga County, resulting in many property owners seeing higher tax bills.

Attend the event on March 26 from 6-8 p.m. at Second Missionary Baptist Church (1881 E. 71st St., Cleveland, 44103). If you feel your new valuation is too high, this informational meeting can help you learn about ways to contest your property values, which can ultimately result in a lower tax rate.

Property owners who want to contest their valuation may file a formal tax complaint with the Board of Revision. The deadline to file is March 31, 2025.

Property Tax & Board of Revision Appeal Process Informational Session

Residents can learn about how to file a complaint with the County's Board of Revision. The deadline to file is March 31, 2025.

Wednesday, March 26 from 6-8 p.m.
Second Missionary Baptist Church
1881 E. 71st Street, Cleveland

Property Tax Assistance Program

As property taxes have increased, this has become an added burden on many homeowners in Cuyahoga County. The County's new Taxpayer Assistance Program can provide up to \$10,000 in one-time direct assistance to qualified County taxpayers aged 70 or older with an active delinquency. In addition to direct assistance, the program will fund housing counseling services to help ensure residents are given tools they need to catch up on their taxes and make informed housing choices going forward.

To qualify for the direct assistance, the resident must:

- Maintain a primary residence in Cuyahoga County for at least 3 years
- Have an active certified tax delinquency on that residence
- Be aged 70 years or older
- Have a household income of less than \$70,000 per year
- Participate in housing counseling services with CHN Housing Partners, including a counseling session, completion of a budget, and demonstration of ongoing ability to pay
- Participate in the Easy Pay installment payment program for future taxes
- Establish a delinquent tax payment contract for any remaining delinquency

To apply, residents can fill out the application on CHN Housing Partners' website or contact the Treasurer's Office by calling 216-443-7400 (Option 1).

Battling the Cold Winter Months

This winter has been a brutal one. County Medical Examiner Dr. Thomas Gilson recently issued a public health advisory regarding the dangers of extreme cold weather. This winter, Cuyahoga County has reported at least five deaths due to hypothermia.

Be vigilant and take precautionary steps to reduce risks associated with cold weather:

- Dress in layers. Wear a hat, gloves, and scarf to reduce heat loss.
- Check on neighbors, friends, and family. Check on vulnerable groups such as older adults, children, and pets.
- Stay indoors. Remain indoors and monitor weather forecasts for the latest information.
- Know the signs of hypothermia. Signs of hypothermia include numbness or weakness, apathy, shivering, and/or loss of consciousness. If you suspect someone has hypothermia, call 911.
- Find a Warming Center. For information on warming center availability, please visit cuyahogacounty.gov/coldweather or call 2-1-1.

The Treasurer's Office is here to help!

Taxpayer Assistance Program

Up to **\$10,000** one-time financial assist is available to qualifying residents who are struggling with property taxes.

To qualify for direct assistance, you must:

- Maintain a primary residence in Cuyahoga County for at least 3 years
- Have an active certified tax delinquency on that residence
- Be aged 70 years or greater
- Have a household income of less than \$70,000 per year
- Participate in housing counseling services with CHN Housing Partners, including a counseling session, completion of a budget, and demonstration of on-going ability to pay
- Participate in the Easy Pay installment payment program for future taxes
- Establish a delinquent tax payment contract for any remaining delinquency

The \$10,000 may be used for:

- Payment of certified delinquent property taxes
- Payment of late property taxes
- Payment of current property taxes
- Payment of foreclosure fees and court costs related to a pre-existing foreclosure
- Satisfaction of pre-existing tax lien certificates

✓ Payments will be made directly to Cuyahoga County.

- ✓ Assistance is available in all Cuyahoga County Council Districts.
- ✓ CHN Housing Partners will process applications on a first-come, first-served basis, prioritizing properties in active foreclosure.
- ✓ Additional assistance is available by lottery following initial distributions.
- ✓ Assistance is available one time per household.

Community of Hope—The Hope Program

Youth who either lack a strong family support system or who are aging out of the County's foster care system might feel unsure about what lies ahead for them. If you or someone you know is in this situation, I encourage participating in the Community of Hope's Hope Program.

Community of Hope matches youth aging out of foster care (or young adults ages 18-30) with adult volunteers. Volunteers commit to engaging in a relationship with the youth once a week for at least one year.

This has proven to be extremely meaningful to both the youth and volunteers, with 95% of participants remaining in stable housing and 91% employed or in education/training.

Volunteer mentors become "your community"—people who are a part of your life and who stick with you. It's a safe place to share life, overcome challenges, and begin to think about the future with input and support from your mentors.

If you or someone you know might benefit from this program, reach out to Community of Hope by calling 216-392-0629, or email Program Director Bev Johnson at bevjohnson@hopecle.org.

Genesis Healthcare Services

Genesis Healthcare Services is a local, non-medical home care agency that can help assist older adults with everyday tasks such as eating, bathing, or light housework. Their companionship services include comprehensive, around-the-clock support for those in need, including help with laundry, light housekeeping, meal planning and cooking. Care professionals can also provide outside support, like helping with errands, adult and senior transportation to and from doctor appointments, social events and more.

Genesis also provides training for family caregivers who live in the home, and pays them for their services. To learn more about their offerings, visit gencares.com or call 440-627-2600.

Cleveland Angels

There are approximately 400,000 children and youth experiencing foster care across the United States. Locally, the Cleveland Angels is building a community of people who are changing the way children, youth, and families experience foster care.

The ripple effects of spending time in foster care can look like academic instability, homelessness, incarceration, and mental health challenges. The ripple effects of investing just a few minutes in the powerful potential of this community can result in cycles broken.

If you would like to refer a foster or kinship family or youth to Cleveland Angel's programs, volunteer, serve as a mentor, or invest in sustainable change, visit cleangels.org or call 216-206-7172.

A Place 4 Me

A Place 4 Me is a nonprofit organization dedicated to preventing and ending youth homelessness in Cuyahoga County. They accomplish this through direct services, authentic youth engagement, and systems change.

A Place 4 Me includes multiple beneficial programs. Their Youth Navigators use their personal experiences to walk alongside young adults experiencing homelessness, housing instability, or foster care.

Opportunity Passport is a matched savings and financial capabilities program for youth ages 14-25 who have spent at least one day in foster care after their 14th birthday. The court helps youth open a bank account in their own name and matches youth savings for the purchase of assets.

If you are someone or know someone who needs support, you can visit their website at APlace4Me.org. If you're interested in getting involved, reach out to Zachary Milini, Advancement Manager by calling 216-367-1058.

Chair-ity

Chair-ity is a nonprofit organization that provides new beds, donated furniture and home goods at no cost to those who age out of foster care and embark on independent living.

The average cost of furnishing a 1-bed apartment is \$3,400. By supplying aged-out foster youth with furnishings, Chair-ity is eliminating that burden and helping them take the next step toward being a successful adult.

Each young adult is referred by a social worker or community partner. Chair-ity then reaches out to the client for delivery coordination. Meanwhile, a design volunteer works with the client, ensuring the space is expressive of themselves. Post delivery, Chair-ity is always there to refer them to other resources.

For more information on this fantastic program, visit chair-ity.org.

Q4 2024 Accomplishments

Cuyahoga County received \$239 million from the federal government through the American Rescue Plan Act (ARPA). Cuyahoga County calculated 100% of the ARPA dollars as loss of revenue under the U.S. Department of Treasury's Final Rule and deposited it into the County's General Fund. The County Executive and County Council authorized \$86 million of the ARPA dollars for community grants to benefit the residents of Cuyahoga County, known as the ARPA Community Grant Fund. \$66 million was evenly distributed to the 11 Council Districts. Since funds were allocated, District 7 has approved more than \$5.7 million in American Rescue Plan Act dollars to benefit the District and other County projects that are beneficial to our Cuyahoga County community. In Q4 of 2024, these included:

- Parma Commission on Aging-\$10,000 (Hearing Loop Installation Project)
- Friendly Inn Settlement, Inc.-\$5,000 (HVAC Capital Upgrade Project)
- St. Clair Superior Development Corporation-\$100,000 (50/50 Matching Grant Home Repair Program)
- Harvard Community Services Center-\$5,000 (Grandparents Family Day and Resource Fair)
- Building & Leveraging Opportunities Foundation-\$10,000 (Property Rehabilitations)
- Wallstreet Nottingham Development Inc.-\$20,000 (New Headquarters and Residential Development Project)
- Lutheran Metropolitan Ministry-\$5,000 ("Welcome Home!" Anniversary Celebration)
