## Cuyahoga County Resources, Services and Information for You

### NEW Health and Human Services Website

Before, residents had to visit ten different websites to get information they needed from the County's Health and Human Services divisions. Now it's all in one place. The new HHS website has information from eight agencies so residents can easily find what they need, whether it be services for moms, dads, teens, seniors and more.

### Domestic Violence Homicide Prevention Initiative

Cuyahoga County's Domestic Violence Homicide Prevention Initiative, which has helped thousands of victims of violence since its inception, has been awarded an \$824,800.33 grant from the United States Department of Justice, Office on Violence Against Women. The initiative, led by the County's Witness Victim Service Center (WVSC), will use the funding to expand services over a three-year period. If you are in need of services from the Witness Victim Service Center, please call 216-443-7345.

### Back to School Resource Guide

As students across Cuyahoga County head back to school (in person or virtually) and sports practices, the Department of Health and Human Services has compiled some information and resources for parents and students. This helpful guide provides information such as health guidelines, education resources and social emotional support.

### The 411 on County Bridge Inspections

There are hundreds of bridges in Cuyahoga County, and many of us drive over them to get to work, run errands, or visit friends and family without a thought. That's because we rely on the Cuyahoga County Public Works Bridge Inspection Team to conduct frequent inspections to make sure County bridges are safe to drive on. Check out the above video to learn more about our Bridge Inspection Team!
