2021

National Preparedness Month
Prepare to Protect

2021 National Preparedness Month

National Preparedness Month (NPM) is recognized each September to promote family and community disaster planning now and throughout the year. During NPM, we are reminded of the importance of personal preparedness and are encouraged to prepare ourselves for emergencies that could impact our homes, businesses, schools, and communities. In coordination with the Cuyahoga County Office of Emergency Management, the Federal Emergency Management Agency (FEMA), and the Ohio Emergency Management Agency (OEMA); all individuals, agencies, and organizations are encouraged to better prepare for emergency situations by participating in NPM's weekly themes throughout September.

Join Us for the 2021 Aging and Disability Summit

Join the Cuyahoga County Division of Senior and Adult services, in partnership with The MetroHealth System and the Western Reserve Area Agency on Aging, for the first Northeast Ohio Aging and Disability Summit. Hear from national and local experts speaking on topics such as diversity and inclusion, assistive technology, aging, public policy, gerontological research, and workforce opportunities. The Summit is open to aging network professionals, caregivers, older adults across northeast Ohio, and other interested individuals and will take place virtually on September 17 from 8 a.m. to 4 p.m.

COVID and Kids: What You Need to Know about the Delta Variant

The COVID-19 Delta variant has changed the risks for young children. On August 31, Cuyahoga County's Invest in Children hosted a webinar with three local pediatric infectious disease experts to discuss the latest about the Delta variant and how the risk of illness for young children has changed over the course of the pandemic. You can view the webinar on the County's YouTube channel to learn more about the COVID-19 Delta variant and the risks for young children and their families.

RTA and Lowe's Bedford Heights Beautifies Diversion Center Garden

Greater Cleveland RTA, Transit Police, and Lowe's Home Improvement in Bedford Heights recently teamed up to beautify the women's garden space at the Diversion Center. The women's garden at the Diversion Center now features a flower garden and a seating area with tables and benches. A special thanks to Greater Cleveland Transit Police Chief, Deirdre Jones, for spearheading the creation of this wonderful space for women at the Diversion Center.
