2022 National Preparedness Month

National Preparedness Month (NPM) is recognized each September to promote family and community disaster planning now and throughout the year. The 2022 NPM theme is: A Lasting Legacy. The life you've built is worth protecting. You're encouraged to prepare for disasters to create a lasting legacy for yourself and your family. The Cuyahoga County Office of Emergency Management (CCOEM) provides resources to help the whole community prevent, prepare for, respond to, and recover from the effects of major disasters and large-scale emergencies. For preparedness tips, follow CCOEM on [Facebook](#) and [Twitter](#) or visit CCOEM's website at ready.cuyahogacounty.us/. For additional information, go to ready.gov.
