

CUYAHOGA COUNTY COURT ORDER TITLE INFORMATION PACKET (Ohio Revised Code 4505.10)

** Please recognize that there is no guarantee that a court order directing issuance of a motor vehicle certificate of title will be granted. The decision depends on the Court finding that you have presented sufficient evidence to establish your claim that you are entitled to the possession and ownership of the subject motor vehicle. **

In Cuyahoga County the Cuyahoga County Fiscal Office, Auto Title Division, has principal responsibility for issuing motor vehicle certificates of title on behalf of, and in cooperation with, the Bureau of Motor Vehicles, Ohio Department of Public Safety (BMV). A properly issued motor vehicle certificate of title is the primary evidence of ownership of the motor vehicle described in the certificate.

In a limited number of circumstances, a judge of the Common Pleas Court can order the Auto Title Division to issue you a motor vehicle certificate of title. These circumstances include:

- I. **Lost or stolen title with no historical records:** When the original certificate of title issued by the State of Ohio or any other state has been lost, destroyed or stolen and a duplicate of that certificate as provided by Section 4505.12 of the Ohio Revised Code is not available from the Clerk or BMV due to lack of historical title records.
- II. **Incomplete sale:** When you have purchased a vehicle, but the previous owner has failed, refused or otherwise been unable to furnish you with a properly assigned certificate of title
- III. **Abandoned:** When you have been given a vehicle or it has been left in your possession and ownership, but the previous owner has failed, refused or otherwise been able to complete the transaction by supplying required documents.
- IV. **Repair garage, storage facility or towing company:**
 - a. When you are the owner of a repair garage or storage facility who is in possession of a vehicle valued at **more** than \$3,500.00 after deduction of repairs to restore the vehicle to wholesale value. The vehicle has to have been unclaimed by the owner for more than fifteen days after notice to reclaim the vehicle.
 - b. When the repair garage, storage facility or towing company does not have documents necessary to file an Unclaimed Motor Vehicle Affidavit. If uncertain if this applies, please request the information for an Unclaimed Motor Vehicle Affidavit.

The Ohio Revised Code sets forth specific procedures to follow in instances other than the four listed above. Here are some examples of circumstances when Section 4505.10 of the Ohio Revised Code does **not** apply:

- I. When you are the owner of a repair garage or storage facility in possession of a vehicle valued **less** than \$3,500.00 after deduction of repairs, where the vehicle has remained unclaimed by the

- owner for more than fifteen days after notice to reclaim the vehicle (ORC 4505.101)
- II. When you are the operator of a manufactured home park attempting to remove a tenant's manufactured home from the park property (ORC 3733.091 and 1923.12)
 - III. When you are the pawnbroker seeking forfeiture and title to a motor vehicle that has not been redeemed by the owner after expiration or breach of the loan secured by that motor vehicle (ORC 4505.102)
 - IV. When a motor vehicle, whether a "junk motor vehicle" or not, has been abandoned on private property owned by you; and you do not want title to the motor vehicle, but rather simply want it moved or disposed of (ORC 4513.60 through 4513.65, inclusive)

INSTRUCTIONS FOR OBTAINING A COURT ORDERED MOTOR VEHICLE CERTIFICATE OF TITLE

This guide for obtaining a court ordered title has been compiled for purposes of example only. It is only intended to provide a summary and should not be regarded as a complete digest of laws affecting motor vehicle titles, nor should it be regarded as legally binding on the County of Cuyahoga, the Cuyahoga County Fiscal Officer, or the Cuyahoga County Clerk of Courts, none of whom are authorized to provide legal advice to petitioners. Instead, petitioners are encouraged to consult with private legal counsel.

If you believe that Section 4505.10 of the Ohio Revised Code does apply to your situation, there are certain steps you will need to take before the court can consider your petition for an Order directing the title division to issue a motor vehicle certificate of title to you. Please keep in mind that incomplete/inaccurate paperwork may cause your case to be dismissed. The recommended steps are outlined within.

You should attach the following documents to your Affidavit as exhibits:

- Copies of the record search report (BMV 2433) you obtained from the BMV
- State Highway Patrol Inspection form (HP 106/HP106F)
- Correspondence and certified mail receipts showing you have tried to contact the current owner and lien holder (if applicable) in an attempt to secure a properly assigned certificate of title.
- Copies of any additional documentation or evidence you believe necessary to support your claim, including, for example:
 - Any receipt, bill of sale, or cancelled check as evidence of your performance as purchaser in connection with an incomplete transaction that was not the result of your own failure to perform.
 - Sworn statements of other persons familiar with the circumstances surrounding your possession of the vehicle.
