## Executive's Recommended Biennial Budget Update

**COUNTY EXECUTIVE**  
Chris Ronayne

**FISCAL OFFICER**  
Michael Chambers, CPA

**OFFICE OF BUDGET AND MANAGEMENT**  
Walter Parfejewiec, Director

As required by Chapter 701.01 of the County Code, the following is a comprehensive update to year two of the 2024-2025 biennial budget. In addition to some technical adjustments, this update includes the implementation of Authorized Strength and Vacancy Credits for all County Executive departments. **Authorized Strength** is a staffing level that includes all current staff on payroll as well as vacancies that have been agreed upon by each department and the administration. **Vacancy Credit** is a four-year average of each department’s underspending in personnel services expressed as a percentage. In this update, each County Executive department’s personnel services budget has been adjusted to reflect Authorized Strength (*current staff on payroll and vacancies*) and offset with Vacancy Credit (*reduction based on the last four years underspending*).

**General assumptions** that went into the budget update include:

- \$4.3 million decrease to reflect current payroll for County Executive departments
- \$7.7 million increase for the non-bargaining Equity Study
- \$25.3 million increase for vacancies in County Executive departments
- \$7.0 million increase for Workers Compensation expenses
- \$18.2 million decrease to reflect vacancy credits for County Executive departments

**General Operating Fund**

The General Operating Fund is the main operating fund in the County budget and the County’s primary unrestricted fund. As such, the County’s financial strength is positively correlated with the health of the General Operating Fund and the County’s Financial Policies seek to ensure that the General Operating Fund remains on strong financial footing, so the County can meet its obligations to its citizens.

<b>General Operating Fund</b>	<b>2025 Adopted</b>	<b>2025 Adjustment</b>	<b>2025 Recommended</b>
Projected Beginning Cash Balance	\$159,041,493	\$0	\$159,041,493
Operating Revenue	\$615,154,563	\$26,096,869	\$641,251,432
Operating Expenditures	\$556,861,393	\$22,121,638	\$578,983,031
Subsidies to Other Funds	\$69,740,160	\$3,062,062	\$72,802,222
Projected Ending Cash Balance	\$147,594,503	\$913,169	\$148,507,672

**For 2025, the General Operating Fund is budgeted to end the year with an operating deficit** – defined as expenditures greater than total revenue – **of approximately \$10.5 million**. Please note that the calculation of expenditures includes both the operating expenditures in the General Operating Fund and the transfers to support operating expenditures in the various special revenue funds. **Revenue is projected to total \$641.3 million in 2025**. The recommendation is to increase revenue by approximately \$26.1 million, or 4.2%, more than what was anticipated in the adopted budget. **Expenditures are budgeted to total \$651.8 million** The recommendation is to increase expenditures by \$25.2 million, or 4%, over the adopted budget.

**Revenue**

**Sales Tax**

**Sales Tax revenue is budgeted to total \$342.4 million in 2025**. This estimate is based on actual sales tax collections from January to September of 2024. The recommendation is to decrease Sales Taxes by \$18.8 million or 5.2% from the 2025 adopted budget. The County’s share of sales tax receipts is split between the General Fund and debt service on the 2014, 2016, and 2017 Sales Tax Revenue Bonds. **The portion of Sales Tax revenue that is allocated to the General Operating Fund** is budgeted to total \$337.4 million in 2025. This budget is also based on actual sales tax collections from January to September of 2024. Sales Tax revenues are approximately 53% of

---

the fund's total revenue (based on 3rd Quarter estimates). **The portion of Sales Tax revenue that is allocated to Debt Service** totals \$5 million in 2025.

### ***Property Tax***

**Property Tax** revenue to the General Fund is budgeted to total \$44.4 million. The recommendation is to increase Property Tax revenue by \$6.7 million or 17.7% from what was budgeted in the adopted budget. This increase is due to the sexennial reappraisal. The 2025 Alternative Tax Budget will allocate 1.45 inside millage (1.10 mills to the General Fund and 0.35 mills to the General Obligation Bond Retirement Fund).

### ***Fines and Forfeitures***

**Fines and Forfeiture** revenue is budgeted to total \$12.5 million. The recommendation is to increase Fines & Forfeitures by \$3.2 million or 34.3% more than what was included in the adopted budget. This increase comes from excess private foreclosure sales revenue currently on deposit with the Clerk of Court.

### ***Charges for Services***

**Charges for Services** revenue is budgeted to total \$110 million in 2025. The recommendation is to increase Charges for Services by \$1 million or .1% more than what was included in the adopted budget. This increase is due to SB94 which allows Fiscal Officer to increase recording fees by \$5.

### ***Other Intergovernmental***

**Other Intergovernmental** revenue is budgeted to total \$71.4 million in 2025. The recommendation is to increase Intergovernmental revenue by \$0.1 million more than what was estimated in the adopted budget. This reflects the reimbursement received from the **State Public Defender's Office** for indigent defense, trial transcript, and guardian ad litem expenditures. This budget assumes reimbursement of 78% from the State Public Defender or \$1.3 million less than what was included in the adopted budget. This budget assumes \$26.5 million in revenue derived from the **Local Government Fund** (LGF) which is what was assumed in the adopted budget. This budget includes Casino Tax revenue of \$8.8 million or \$1.3 million more than what was included in the adopted budget.

### ***Investment Earnings***

**Investment Earnings** are budgeted to total \$35.4 million in 2025. The recommendation is to increase Investment Earnings by \$19.3 million or 120% more than what was included in the adopted budget. This budget includes \$27.4 million in earnings on investments and \$8 million in interest earnings from Star Ohio. Presently, the value of the County's investment portfolio totals \$1.13 billion.

### ***Other Revenue/Taxes***

**Other Revenue/Taxes** is budgeted to total \$29.9 million in 2025. The recommendation is to increase Other Revenue/Taxes by \$14.6 million or 95.4% more than what was included in the adopted budget. This projection includes:

- \$1.7 million combined cash transfer from the Road & Bridge and Sanitary Sewer Funds to repay the advance made from the General Fund for the purchase and renovation of the Harvard Road Garage
- \$1.5 million transfer from the Garage Fund to repay the General Fund for debt service payments on the 2016 Sales Tax Revenue Bonds issued for renovations at the Huntington Park Garage
- \$12.5 million in Bed Taxes collections
- \$5 million loan repayment on the Lumen project
- \$3 million repayment from 911 Consolidated Shared Service
- \$5 million repayment from the Health & Human Services Levy Fund

---

## Expenditures

The General Fund supports programs and services in nearly every facet of County government, supporting agencies under the authority of the County Executive, those under other elected officials (e.g. courts, Prosecutor), and those controlled by independent Boards and Commissions. **Expenditures for the General Fund are budgeted to total \$579 million.** The recommendation is to increase expenditures by \$22.1 million or 4% more than the adopted budget. In addition to some minor technical budget adjustments, this increase includes:

- \$2.5 million increase to reflect current payroll for County Executive departments
- \$1.6 million increase for the non-bargaining Equity Study
- \$9.7 million increase for vacancies in County Executive departments
- \$3.4 million increase for Workers Compensation expenses
- \$3.8 million decrease to reflect vacancy credits for County Executive departments
- \$0.8 million increase for additional 2% cost-of living adjustments for Deputy Sheriffs
- \$4.0 million increase for Correction Officer overtime
- \$1.7 million increase for assigned counsel for the Municipal Courts
- \$0.8 million decrease to the CCCFDC budget to offset the 2022A debt service
- \$2.3 million increase for lease payments at 1801 Superior
- \$0.6 million increase for upgrades to security systems at the Correction Center

## Subsidies to Other Funds

**General Fund subsidies to other County funds are budgeted to total \$72.8 million in 2025.** The recommendation is to increase subsidies by \$3.1 million or 4.4% more than what was included in the adopted budget. The larger budget adjustment includes:

- **Convention Center 2022A Debt Service** - \$1 million increase over adopted budget
- **2017 Sales Tax Bonds** - \$0.5 million increase over the adopted budget
- **Dog Kennel** - \$1.5 million increase over the adopted budget

## Ending Cash Balance

2025 General Fund revenue and expenditures are projected to total \$641.3 million and \$651.8 million, respectively. **The ending cash balance in the General Fund is projected to total \$148.5 million, which is \$1.3 million over the 2024 cash reserve requirement.** It is anticipated that the County will be in compliance with **Section 706.01 of the County Code, which requires a minimum of a 25% cash balance.**

See attached General Fund Budget Schedules.

## Health and Human Services Levy Funds

The County maintains two Health and Human Services levies:

- Health and Human Services – **4.8 mills.** This levy was approved by the voters in March, 2024 for the period of eight years (expires December 2032).
- Health and Human Services – **4.7 mills.** This levy was approved in April, 2020 for the period of eight years (expires December 2028).

HHS Levy Fund	2025 Adopted	2025 Adjustment	2025 Recommended
Projected Beginning Cash Balance	\$47,409,197		\$47,409,197
Operating Revenue	\$281,076,624	\$3,895,746	\$284,972,370
Operating Expenditures	\$4,165,004	\$5,000,000	\$9,165,004
Subsidies to Other Funds	\$278,294,383	\$4,234,775	\$282,529,158
Projected Ending Cash Balance	\$46,026,434	-\$5,339,030	\$40,687,404

## Revenue

**For 2025, overall revenue is budgeted to total \$285 million.** The recommendation is to increase revenue by \$3.9 million or 1.4% more than the adopted budget.

**Revenue generated by the County's two levies** is budgeted to total \$268.9 million. The recommendation is to increase Property Tax revenue by \$3.9 million or 1.5% more than what was assumed in the adopted budget.

**Other Intergovernmental** revenue is budgeted to total \$16.1 million, which is what was assumed in the adopted budget. This is revenue received from the Public Assistance and State Homestead credit. The homestead exemption allows low-income senior citizens and permanently and totally disabled Ohioans, to reduce their property tax bills, by shielding some of the market value of their homes from taxation. The exemption, which takes the form of a credit on property tax bills, allows qualifying homeowners to exempt up to \$25,000 of the market value of their homes from all local property taxes. The state of Ohio reimburses school districts and local governments for the amount of revenue taxpayers save through the homestead exemption.

## Expenditures

**Expenditures from the HHS Fund** are budgeted to total \$9.2 million, which is \$5 million or 120% more than what was included in the adopted budget. This \$5 million is a partial repayment to the General Fund (*in 2019, \$15 million was transferred from the General Fund to the HHS Levy Fund*).

## Subsidies to Other Funds

**Subsidies from the HHS Levy Fund** include the County's support for the Alcohol, Drug Addiction, and Mental Health Services (ADAMHS) Board of \$41 million and MetroHealth System of \$35 million in 2025, as well as subsidies to other County funds to support operating expenditures. The subsidies provided to other County funds represent the difference between Federal, State, and other program revenue and the cost of operations for agencies and departments that provide health and human services throughout the County. **HHS Levy expenditures represent approximately 27% of total County spending in the areas of social services, health and safety, and justice and public safety.**

**For 2025, the HHS Levy subsidies are projected to total \$282.5 million.** The recommendation is to increase HHS Levy subsidies by \$4.2 million or 1.5% more than the adopted budget. In addition to some minor technical adjustments, this increase includes:

- \$0.9 million decrease to reflect current payroll for County Executive departments
- \$2.5 million increase for the non-bargaining Equity Study
- \$4.0 million increase for vacancies in County Executive departments
- \$1.0 million increase for Workers Compensation expenses
- \$3.0 million decrease to reflect vacancy credits for County Executive departments

- \$0.6 million increase for lease payments at 1801 Superior

### **Ending Cash Balance**

2025 Health & Human Services Levy revenue and expenditures are projected to total \$285 million and \$291.7 million, respectively. **The ending cash balance in the Health & Human Services Levy Fund is projected to total \$40.7 million, which is \$13.3 million over the 2024 cash reserve requirement. Section 706.01 of the County Code, which requires a minimum of a 10% cash balance.**

See attached Health and Human Services Budget Schedules.

## County Executive

The very foundation of the Cuyahoga County charter is the aspiration that our prosperity will be shared. The charter makes it clear that this County Government must promote the economic well-being and prosperity of the county and all of its residents. All residents, not just some, all must prosper on a fair and equitable basis. The only way we deliver on our fundamental government purpose, to promote the economic well-being of the county and ALL our residents is together. When we stand together, we do not let anyone fall by the wayside, especially those in need. When we see that we are one community there is nothing we cannot achieve. Every single person, business, organization, and young mind represents an opportunity to add to our strength. The success of Cuyahoga County delivering on the responsibilities depends on ALL of us, and when we succeed, we all thrive.

## Probate Court

The Probate Court is established in each county of Ohio to supervise the administration of the estate of a decedent who was a legal resident in the county at the time of his or her death. Each transaction involved in the administration of an estate is subject to the examination and approval of the Probate Court. Other matters within the Probate Court's jurisdiction are: guardianship proceedings, adoptions, names changes, issuance of marriage licenses, the involuntary commitment of the mentally ill, and civil matters, including will contests, concealment of assets, determination of heirs and land appropriation cases. The Court has established the Guardian Partners program to conduct wellness checks on all adult wards and the Probate Court Resource Center to assist self-represented individuals. Both programs are funded by its own restricted funds. Further, the Court has partnered with the County to launch the Great Estates program to help residents avoid unnecessary costs and delays in settling estates by providing guidance and documents for non-probate transfers. The Court's mission is to provide excellent service to Cuyahoga County residents.
