

# Harvard Yard

## 2501 Harvard Ave., Newburgh Heights, OH 44105

Purchased as a vacant bus garage from the RTA in 2017, the 193,000 square foot Harvard Yard facility consolidated three separate county operations into one centralized location. The facility contains a fleet repair garage with 12 vehicle bays, workshops, lockers, offices, and vehicle storage areas for the Cuyahoga County Department of Public Works.

The employees of the Fleet Services Garage, Sanitary Engineers Building, and the York Road and Bridge Garage began working out of this renovated location in 2019. In keeping with the county's sustainability goals, the building utilizes over 2,000 solar panels to offset about 30% of its electricity usage.
