

## CUYAHOGA COUNTY MONUMENT COMMISSION APPLICATION FORM

The Cuyahoga County Monument Commission was established to promote a diverse and representative cultural environment through appropriate memorialization on County property of significant persons, communities, and historic events. The Monument Commission reviews all proposals for new monuments and existing monuments to be restored, renovated, altered, or repaired. The Commission will receive and consider submissions on a rolling basis. A Letter of Interest is required to be submitted prior to use of this application. Only electronic applications will be accepted. Additional information regarding procedures and determination criteria can be found on the Cuyahoga County Monument Commission webpage. All information contained in this document is a public record.
