

**CUYAHOGA COUNTY REGIONAL FORENSIC SCIENCE LABORATORY
FEE STRUCTURE**

The following testing options are available at cost to legally authorized agencies of the justice system at the discretion of CCRFSL.

<u>Service</u>	<u>Cost</u>
<u>Biology/DNA</u>	
Serology Screen & collection of evidence (Hemastix on clothing, swab, etc.)	\$100 per sample
Serology screen for rape kit	\$325 per kit
Autosomal DNA STR Analysis (reference sample)	\$250 per sample
Autosomal DNA STR Profile- Regular (evidence)	\$650 per sample
Autosomal DNA STR Profile-Differential	\$750 per sample
Bone/Tooth autosomal DNA STR	\$1,375 per sample
Y-STR DNA Analysis	\$1,150 per sample
Probabilistic Genotyping of DNA mixture	\$250 per sample
<u>Relationship Testing Calculations by Parentage & ID Unit</u>	
Direct Parentage (Paternity/Maternity)	\$250 per relationship
Kinship (Sibship/grandparentage)	\$300 per relationship
<u>Fingerprints</u>	
Latent prints/Comparison	\$225 per hour (minimum 3 hours)
<u>Firearms Examination</u>	
Test Fire	\$225 per hour (minimum 1 hour)
Comparison	\$225 per hour (minimum 3 hours)
<u>Drug Chemistry</u>	
Drug testing- Single Item Case	\$300 per item
Drug testing- 2-5 or samples per case	\$250 per item
Drug testing- 6 or more samples per case	\$175 per item
<u>Trace Evidence</u>	
GSR Testing (Hand sample kits, Sleeve cuffs)	\$250 per kit/item
GSR analysis (muzzle to target distance on clothing)	\$200 per item of clothing
GSR analysis (muzzle to target distance) with test firing	\$600 one item of clothing
GSR analysis (muzzle to target distance) with test firing-each additional clothing item	\$200 each additional clothing item
Imprint/Impression comparison	\$500 per sample
Unknown Material ID - Microscopic exam	\$500 per sample
Vehicle evidence collection	\$850 per vehicle
Any other Trace Evidence examination	\$250 per hour
<u>Toxicology</u>	
Alcohol panel: SCREEN & QUANT (Ethanol and other volatiles)	\$130 per sample

**CUYAHOGA COUNTY REGIONAL FORENSIC SCIENCE LABORATORY
FEE STRUCTURE**

The following testing options are available at cost to legally authorized agencies of the justice system at the discretion of CCRFSL.

<u>Service</u>	<u>Cost</u>
<u>Toxicology</u>	
Drug of Abuse Panel (<i>Blood or Urine</i>) SCREEN, CONFIRM & QUANT (<i>Amphetamines, Barbiturates, Benzodiazepines, Cannabinoids, Carisoprodol, Cocaine, Fentanyl, Methamphetamine, Opiates, Oxycodone, PCP, tricyclic antidepressants, methadone</i>)	\$250 per sample
Comprehensive Drug Panel (<i>Blood and/or Urine</i>): SCREEN, CONFIRM & QUANT (<i>Drugs of abuse, therapeutics; Includes alcohol panel, and sedative and hypnotic drugs</i>)	\$390 per sample
DFSA (Drug Facilitated Sexual Assault Drug Panel) (<i>Blood and/or Urine</i>): Benzodiazepines and GHB analysis upon request.	\$425 per sample
<u>Expert Testimony</u>	
Courtroom Testimony - Criminal case	\$100 per hour
Courtroom Testimony - Civil case	\$600 per hour
<u>Biological Sample Release to Other Laboratories</u> (e.g. Parentage/Genealogy Testing)	
Biological Sample Prep/Handling Fee	\$50 per sample
