It is understood and agreed by and between the parties hereto that only those situations, as documented by the CONSULTANT, and agreed to by the COUNTY shall constitute a scope change. Fee and schedule adjustments for documented scope changes shall be appraised and adjusted by mutual agreement.

Until the COUNTY has agreed that a scope change is in effect, the CONSULTANT shall continue to proceed with the work necessary to complete the authorized aspects of this Agreement as hereinbefore outlined. That is, a scope change request shall not constitute a reason for the CONSULTANT to delay or suspend work on any authorized tasks unless they have been so directed by the Director of Public Works, provided, however, nothing herein shall require CONSULTANT to commence any scope change until the parties have reached mutual written agreement on change. A change in Scope of Services is defined as any of the following:

Additionally, the COUNTY's waiver of any breach or default of this Agreement shall not constitute a waiver of any subsequent breach or default or a waiver of the provision itself or any other provision.
- I). Contract Interpretation and Construction. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as though drafted by both parties, and no presumption or burden of proof shall arise favoring or disfavoring one party by virtue of the authorship of any of the provisions of this Agreement.
