No action or inaction by the Consortium, the Lead Entity or the Member Jurisdiction at any time with respect to any of the terms or conditions of this Agreement shall be deemed or construed as a waiver of the same or other term or condition herein.

or of the timely and proper performance thereof. No waiver shall be valid against the Consortium or Member Jurisdiction, as the case may be, unless reduced to writing and signed by the County.

SECTION 18 - TERMINATION FOR NECESSITY OF THE CONSORTIUM

The Lead Entity may terminate this Agreement for necessity by giving at least thirty (30) days notice in writing from the Consortium to the Community. If the Agreement is terminated by the Lead Entity as provided herein, the Community will be paid an amount which shall be fair and reasonable compensation for the actual costs incurred in connection with the work performed on the Project under this Agreement until the date of termination hereof, such amount to be determined in the Lead Entity's discretion, subject to applicable federal regulations. If the Agreement is terminated due to the fault of the Community, this section, relative to termination for necessity shall also apply.

SECTION 19 - HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1968 - SECTION 3.

Community will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other agreement or understanding, if any, written notice advising the said labor organization or workers' representative of this commitment under the Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

SECTION 20 - INDEMNIFICATION

The Community agrees to indemnify and save harmless the Consortium, the Lead Entity and the Member Jurisdiction against all liability, claims, demands, losses, damages and costs arising from any act or omission by, or negligence of, the Community or its contractors and subcontractors, or the officers, agents, or employees of either while engaged in the performance of this Agreement.

SECTION 21 - TAXES

The community shall pay all taxes and assessments on property, and all payments in lieu of taxes when due. No lien or encumbrance against any assets and/or services purchased with HOME Program funds granted pursuant to this Agreement shall be attached.

SECTION 22 - INDEPENDENT RELATIONSHIP

The Community is not to be considered an agent or employee of the Consortium, the Lead Entity or the Member Jurisdiction for any purpose and any agency, fiduciary relationship, or trust or other relationship whatsoever is created by this Agreement.

SECTION 23 - DISCRIMINATION IN PROGRAM APPLICATION PROCESS PROHIBITED

Subject to and in accordance with 24 CFR Part 5, the Community shall not discriminate against any applicant of the Program because of race, religion, color, sex, national origin, age, handicap, ancestry, or Vietnam-era or disabled veteran status. The Community shall not limit its services or give preference to persons on the basis of race, religion, color, sex, handicap, ancestry, or Vietnam-era or disabled veteran status.

SECTION 24 - SECTARIAN/RELIGIOUS ACTIVITY PROHIBITED

In addition to, and not in substitution for, other provisions of this Agreement regarding the provision of services with HOME Program funds, pursuant to Title I of the Housing and Community Development Act of 1974, as amended, and 24 CFR §92.257, the Community agrees, such agreements to include but not be limited to the following:

- D. The portion of the Project used to provide public services assisted in whole or in part under this Agreement shall contain no sectarian or religious symbols or decorations.

SECTION 25 - LABOR STANDARDS FOR CONSTRUCTION ACTIVITIES

In accordance with, 24 CFR §92.354, the Community agrees to comply with the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276a-276a-5) as amended, the provisions of Contract Work Hours and Safety Standards Act (40 U.S.C. 327-332), the Copeland "Anti-Kickback" Act (40 U.S.C. 276c) and all other applicable federal, state and local laws and regulations pertaining to labor standards insofar as those acts apply to the performance of this Agreement (hereinafter the "Wage Provisions"). The Community shall maintain documentation which demonstrates compliance with hour and wage requirements thereof. Such documentation shall be made available to the Lead Entity when the Community is requesting reimbursement for expenditures under the Program in compliance with this Agreement.

The Community agrees that, except with respect to the rehabilitation or construction of residential property containing less than twelve (12) units, all contractors engaged under contracts in excess of Two Thousand Dollars (\$2,000.00) for construction, renovation or repair work financed in whole or in part with assistance to such contracts and with the applicable requirements of the regulations of the Department of Labor under 29 CFR Parts 1, 3, 5 and 7 governing the payment of wages and ratio of apprentices and trainees to journeymen; provided, that if wage rates higher than those required under the regulations are imposed by state or local law, nothing hereunder is intended to relieve the Community of its obligation, if any, to require payment of the higher wage. The Community shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

Contracts for construction must contain these Wage Provisions if HOME Program funds are used for any project costs in § 92.206 of the HOME Program Rules and Regulations, including construction or nonconstruction costs, of housing with twelve (12) or more HOME Program assisted units. When HOME Program funds are only used to assist homebuyers to acquire single-family housing, and not for any other project costs, the wage provisions apply to the construction of the housing if there is a written agreement with the owner or developer of the housing that HOME Program funds will be used to assist homebuyers to buy the housing, and the construction contract covers twelve (12) or more housing units to be purchased with HOME Program assistance. The Wage Provisions apply to any construction contract that includes a total of twelve (12) or more HOME Program assisted units, whether one or more than one project is covered by the construction contract. Once they are determined to be applicable, the Wage Provisions must be contained in the construction contract so as to cover all laborers and mechanics employed in the development of the entire project, including portions other than the assisted units. Arranging multiple construction contracts within a single project for the purpose of avoiding the Wage Provisions is not permitted.

Notwithstanding anything to the contrary stated in this Section 25, the Wage Provisions contain additional exceptions and provisions that may apply.

SECTION 26 - PUBLIC ACCESS TO PROGRAM RECORDS

The Community shall provide the general public with reasonable access to records regarding the past use of HOME Program funds, consistent with applicable state and local laws regarding privacy and obligations of confidentiality.

Upon expiration of this agreement, the Community must transfer to the Lead Entity any HOME funds on hand at the time of expiration and any accounts receivable attributable to the use of HOME funds.

REMAINDER OF THIS SECTION INTENTIONALLY LEFT BLANK.

PART III

STANDARD ACCOUNTING AND FISCAL MANAGEMENT PROCEDURES

HOME INVESTMENT PARTNERSHIPS PROGRAM

SECTION 1 - GENERAL

The Community will be required to establish and maintain a standard accounting system which will provide effective financial controls and meet the requirements of the HOME Program Rules and Regulations as applied to the Program.

When audits are performed in accordance with the provisions of Part II, Section 4 hereof, discovery of the failure of the Community to use generally accepted accounting procedures may result in the disallowance of expenditures for which the Community will be liable and for the assessment of sanctions pursuant to Part II, Section 16 hereof.

The Lead Entity reserves the right to review all financial records in order to assess the financial condition of the Project. If the Lead Entity determines that the Community's financial condition or the methods and practices it uses to manage its financial systems may jeopardize HOME Program funds under this Agreement, it may take all necessary actions to insure that those funds are not put at risk. This includes, but is not limited to, postponing or canceling all reimbursements, putting the Project under specific financial requirements until the problems have been corrected to the satisfaction of the Lead Entity, or exercise its authority to terminate the Agreement as a result of such conditions.

The Community is fully responsible for the management and control of its financial system. Any loss of HOME Program funds as a result of the misfeasance, nonfeasance, or malfeasance of the Community is the responsibility solely of the Community and its officers. To insure accountability, the Lead Entity reserves the right to withhold payments, put the Community under specific financial requirements, or terminate this Agreement.

SECTION 2 - ACCOUNTING SYSTEM STANDARDS

The Community's financial management systems shall provide:

- A. Accurate, current and complete disclosure of the financial results of the Program including at least a monthly reconciliation of the cash balance of the Program.
- B. Records which adequately identify the source and application of funds for the Project. These records shall refer to subsidiary records and/or documentation which support the entry and which are readily accountable. These records shall contain information pertaining to this Agreement, awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income of the Program.

- C. Effective control over and accountability for all funds, property and other assets. The Community shall adequately safeguard all such assets and shall assure that they are used solely for authorized purposes.
- D. Comparison of actual amounts with budgeted amounts for each unit of the Project. Also, the relation of financial information with performance or productivity data, including the production of unit cost information whenever appropriate and required by the Lead Entity.
- E. Procedures for determining the allowability and allocability of costs in accordance with this Agreement.
- F. Accounting records which are supported by source documentation.
- G. A systematic method to assure timely and appropriate resolution of audit findings and recommendations.

SECTION 3 - GRANT PAYMENTS

- A. Grant payments will be made on a cash reimbursement basis. Only when the Community makes an actual cash disbursement will it be reimbursed for the expense by the Consortium.
- B. Disbursements must be applied only to the authorized use as specified in the Scope of Services and the Budget. Failure to pay creditors for activities specified in this Agreement or to disburse funds for their authorized use constitutes a violation of the terms of this Agreement.
- C. At intervals determined by the Lead Entity, the Community may be required to submit copies of canceled checks or other forms of proof showing that all taxes or other payables have been paid. The Lead Entity has the authority to take appropriate action, including withholding payments, if this information is not provided when requested.
- D. All requests for reimbursement must be complete and accurate in order for the Lead Entity to authorize payment. Copies of canceled checks or written receipts must be provided to obtain reimbursement. Failure to submit complete and accurate information will delay or prohibit authorization of payment. Construction project reimbursements must include proper documentation of correct payment of federal wages.

SECTION 4 - AUDIT REQUIREMENTS

Communities that expend more than \$300,000 in federal assistance from any source in any year shall have an audit made in accordance with OMB Circular No. A-133.

Any audit shall be made by an independent auditor in accordance with Generally Accepted Government Auditing Standards covering financial and compliance audits. "Generally Accepted Government Auditing Standards" means the Standards for Audit of Government Organizations, Programs, Activities and Functions developed by the Comptroller General, dated February 27, 1981, as may be revised or amended.

The Community is required to send the Lead Entity a copy of its audit for the time period when HOME Program funds are expended, within sixty (60) days after completion of the audit

SECTION 5 - PROGRAM INCOME

The Community shall comply with the standards set forth in 24 CFR Part 85 for governmental subrecipients and 24 CFR Part 84 for nongovernmental, non-profit subrecipients to account for Program Income. Program Income represents gross income earned by the Community from the Program. Such interest includes but will not be limited to, income from service fees, interest on program income pending its disposition, matching contributions, sale of commodities, usage or rental fees, and royalties on patents and copyrights.

- A. Unless the Agreement provides otherwise, the Community shall have no obligation to the federal government with respect to royalties received as a result of copyrights or patents.
- B. All other Program Income earned during the Project Period shall be retained by the Community, in accordance with the grant or other agreement shall be:
 - 1. Added to HOME Program funds committed to the Project by the Consortium and be used to further eligible Program objectives;
 - 2. Used to finance the Community's share of the Project when approved by the Consortium; or
 - 3. Deducted from the Total Project Costs in determining the net costs on which the HOME Program share of costs will be based.
