## **PART II**

### **TERMS AND CONDITIONS**

#### **SECTION 1 - UNIFORM ADMINISTRATIVE REQUIREMENTS**

During the performance of this Agreement, the Subrecipient hereby agrees it will comply with the uniform administrative requirements stipulated in Office of Management and Budget (OMB) Circulars A-110, A-122 and A-133, and in Federal Regulations 570.502 and 570.610. The Subrecipient shall upon request be provided with copies of these circulars from the Department of Development. A staff member shall be available during regular office hours to review these circulars with Subrecipients.

Circular A-110 promulgates standards for obtaining consistency and uniformity among Federal agencies and other quasi-public and private non-profit organizations in the administration of grants. Circular A-122 provides uniform rules for determining costs applicable to grants, Agreements and other agreements with non-profit organizations other than institutions of higher education and hospitals. Circular A-133 discusses audits of institutions of higher education and other non-profit Institutions.

#### **SECTION 2 - ALLOWABLE COSTS**

The total cost of the Agreement is comprised of the allowable direct cost incident to its performance, plus its allocable portion of allowable indirect costs.

Direct costs are those that can be identified specifically with a particular cost objective. Typical direct costs chargeable to this Agreement.

- A. Compensation of employees for the time and effort devoted specifically to the execution of the Agreement.
- B. Cost of materials acquired, consumed, or expended specifically for the purpose of the Agreement.
- C. Equipment and other approved capital expenditures.
- D. Other items of expense incurred specifically to carry out the Agreement.
- E. Services provided specifically for the Agreement by other Subrecipients.

Indirect costs are those (a) incurred for a common or joint purpose benefiting more than one cost objective (b) not readily assignable to the cost objective specifically benefited, without effort disproportionate to the results achieved.

## **SECTION 2 - ALLOWABLE COSTS (continued)**

The cost of service provided by subrecipients may only include allowable direct costs of the service plus a prorata share of allowable supporting costs and supervision directly required in performing the service, but no supervision of a general nature, i.e., not directly involved in operations. However, supervision by the head of an agency whose sole function is providing the service furnished would be an eligible cost.

In lieu of determining actual indirect costs related to a particular service furnished by a Subrecipient, agency, the following alternative method may be used.

A predetermined fixed rate for computing indirect costs applicable to an Agreement may be negotiated annually in situations where the cost experience and other pertinent facts available are deemed sufficient to enable the contracting parties to reach an informed judgment (1) as the probable level of indirect costs of the contractor during the period to be covered by the negotiated rate, and (2) that the amount allowable under the predetermined rate would not exceed actual indirect cost. The rate should be reviewed at the close of each contract and adjustments to actual indirect costs should be made in the final reimbursement request.

A plan for allocation of costs will be required to support the distribution of any joint costs related to the Agreement. All costs included in the plan will be supported by formal accounting records which will substantiate the propriety of eventual changes. The allocation plan should cover all joint costs of the agency.

## **SECTION 3 - RECORDS RETENTION AND ACCESS TO RECORDS**

- A. Payroll and Distribution of Time- Payroll expenditures must be supported by a detailed account of all employees who work on Community Development Block Grant projects. To provide adequate accounting for payroll expenditures, all employees paid in whole or in part from Community Development Block Grant funds must prepare a time sheet indicating the hours worked on Community Development Block Grant projects for each pay period. Based on these time sheets and hourly payroll cost for each employee, a statement indicating the distribution of payroll charges should be prepared. Fringe benefit costs will also be prorated in accordance with the payroll distribution breakdown. All payroll costs must be properly documented in order to be eligible for Community Development Block Grant reimbursement.
- B. The Subrecipient shall document the marketing of services to the Community. Newspaper stories, posters, mailings, speaking engagements or other techniques employed shall be recorded by the Subrecipient for review by the County. Any publications published as a result of this Agreement shall state that funding was made available through the Community Development Block Grant Program and/or Neighborhood Stabilization Program 1.
- C. Procurement records and files for purchases shall include the following at a minimum: basis for contractor selection; justification for lack of competition when competitive bids or offers are not obtained; and basis for award.
- D. The County, HUD, the General Accounting Office (GAO), or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits,

examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a Subrecipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

E. Financial records, supporting documents, personnel records, statistical records, and all other records pertinent to the Agreement shall be retained for a period of four years from the date of submission of the Agreement. The County's annual performance report in which the specific activity is reported on for the final time. The only exceptions are the following:

- 1.If any litigation, claim, or audit is started before the expiration of the 4 year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action is taken.
- 2.Records for real property and equipment acquired with Federal funds shall be retained for 4 years after final disposition.
- 3.When records are transferred to or maintained by the U.S. Department of Housing and Urban Development, the 4 year retention requirement is not applicable to the Subrecipient.

F. The Subrecipient shall provide citizens with reasonable access to records regarding the use of CDBG funds, consistent with federal, state and local laws regarding privacy and obligations of confidentiality.

#### **SECTION 4 - REPORTS**

At such times and in such forms as the Department of Housing and Urban Development ("HUD") or the County may require, there shall be furnished to HUD or to the County statements, records, data and information, as HUD or the County may request pertaining to matters covered by this Agreement.

#### **SECTION 5- AUDITS AND INSPECTIONS**

At any time during normal business hours and as often as the County, HUD and/or the Comptroller General of the United States may deem necessary, there shall be made available to the County, HUD and/or representatives of the Comptroller General for examination all records of the Subrecipient with respect to all matters and the Subrecipient shall permit the County, HUD and/or representatives of the Comptroller General to audit, examine and make excerpts or transcripts from such records, and to make audits of all Agreements, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters.

In addition to the above-described inspections, the County may perform inspections of the program facilities and/or records at any time it deems desirable.

The Subrecipient must comply with OMB Circular A-133 "Audits of Institutions of Higher Education and other Non-profit Institutions". Audits shall be made in accordance

with statutory requirements and the provisions of OMB Circular A-110 "Uniform Requirements".

## **SECTION 6 - CONFLICT OF INTEREST**

The Subrecipient shall insert in each subcontract provision requiring timely payments of all taxes, all assessments, on any other payment or premium due any federal state, or local government entity.
