Amendment, part 2:

The above identified Contract will be Amended to require documentation of visitation between children and parent(s) by the Provider. The purpose of this part of the Amendment is to better evaluate the status of CCDCFS' goal to increase frequency of parent-child visits by collecting accurate data about current practice. To accomplish this, the following additional paragraph to the Contract, Paragraph 33, has been added. Paragraph 33 is new and is not meant to replace any other paragraph in the Contract. After this Amendment is approved, Paragraph 33, will read, as follows:

33. Documenting Monthly Visits

Provider agrees that, as part of the services provided to receive the per diem payment, the Provider will satisfactorily document all visits between children and parent(s) on a CCDCFS form for each child or youth who is placed through or with a Provider. This requirement applies to a child or youth who is placed with a Provider for at least 20 days in a month. CCDCFS will provide a form for the Provider to complete. The form will, at a minimum, require the Provider to document who was present at the visit, when and where the visit occurred, the interactions observed (if applicable), any visit-related changes in the child's adjustment and functioning, as well as other comments and observations deemed appropriate by the Provider. The intent of this paragraph is to satisfactorily document visitation as may be required by federal or state law, rule, regulation or guidance and to provide information to allow CCDCFS and the Provider to assess progress toward the goal of more frequent visits. The form must be completed and returned to the CCDCFS WOR by the 15th of the subsequent month.

Provider will also be responsible for providing an aggregate report to CCDCFS regarding all parent-child visits that have occurred during the month. This form will be completed and returned to the Program Administrator of the Contracted Resources and Placement Department by the 15th of the subsequent month.

Amendment, part 3:

The above identified Contract will be Amended to require CCDCFS to forward Provider a copy of the case plan for a youth in care of the County and placed through or with Provider within 45 days of placement. After this Amendment is approved, Paragraph 9.F., will read, as follows:

F. Case Plan: Provider is responsible and expected to participate in development of the case plan. CCDCFS is responsible and expected to participate in the development of the child's treatment or service plan. CCDCFS will provide a copy of the case plan for a youth in care of the CCDCFS and placed through or with the Provider within 45 days of placement.

Amendment, part 4:

The above identified Contract will be Amended to establish a date by which CCDCFS will consider a review of per diem rates. To accomplish this, the following additional paragraph to the Contract, Paragraph 34, has been added. Paragraph 34 is new and is not meant to replace any other paragraph in the Contract. After this Amendment is approved, Paragraph 34, will read, as follows:

34. Rate Review

CCDCFS will schedule a discussion concerning per diem rates, if requested by Provider, on or about March 31, 2013.

Amendment, part 5:

The original Contract, any other Amendments which may exist, and this Amendment are subject to all other terms, conditions and obligations set forth in the original Contract that have not been modified by the terms of this Amendment or modified based upon the purpose for this Amendment.
