WHEREAS, the Provider supports the provision of culturally appropriate services.

WHEREAS, CFS wishes to purchase such services, which are identified in Attachment A to this contract from the Provider

NOW, THEREFORE, in consideration of the mutual undertakings and agreements hereinafter set forth, CFS and the Provider agree as follows:

**1. PURCHASE OF SERVICES**

A Subject to the terms and conditions set forth in this Contract, the Provider agrees to furnish, and the CFS agrees to purchase those services as delineated in Section 5 & Attachment A, for children who are referred and authorized by Cuyahoga County Department of Children and Family Services or other Cuyahoga County agency or entity in the manner set forth in Section 8 "Referral Procedure." Services which have not been included in this Contract shall be separately purchased if approved by CFS. Provider agrees to provide placement and related services for children in the care and custody of the PCSA consistent with current state and federal laws, federal and state regulations, and the PCSA's policies and procedures, in effect prior to the date of this contract, October 1, 2011.

B The Individualized Child Care Assessment (ICCA) and amendments to the ICCA and/or other appropriate documents will be utilized in the placement process. The ICCA will be issued as a CFS form.

C When the Provider accepts a placement, the provider will fax the CFS acceptance form to the Placement Department

D CFS Placement Department will provide a written document confirming the placement and confirming the per diem. The parties will consider this document as an Amendment to the ICCA.

**2. TERMS & CONTRACT PERIOD**

*A Contract Period*

This Contract will be effective for the nine (9) month period from October 1, 2011 through June 30, 2012, both inclusive, unless otherwise terminated, at an amount not to exceed the following amount which shall be identified as the "Maximum Dollar Amount", based on the current per diem for each service provided.

**The Maximum Dollar Amount is \$1,134,000.00.**

*B. Other Terms*

1. Nothing in this Contract shall be construed as a guarantee by CFS that CFS will make referrals to the Provider, at all or at a level that would result in the Provider earning the Maximum Dollar Amount. CFS will pay Provider for,

and Provider shall be entitled to receive payment for, services actually purchased by CFS. The amount of such payments will be determined according to the rates for such services as set forth herein.

2. Both parties agree that the dollar amount of the Contract may be amended during the contract period. Any Amendment of the contract requires approval from the Cuyahoga County Executive and/or Council. Such amendment may take place for any reason, including, but not limited to, an underutilization of contract services by CFS, an over utilization of contract services by CFS, an increase or decrease in the Title IV-E rate, or an increase or decrease in funds available to CFS.

3. In the event that the Provider anticipates that it will render services hereunder to CFS placed children during the period beginning on the first day of the term hereof and ending before the expiration of the term hereof that will result in aggregate billings to CFS in an amount equal to at least 80% of the Maximum Dollar Amount of the Contract, the Provider will be entitled to request an amendment to the Maximum Dollar Amount of the Contract. The parties will begin negotiating such an amendment within two weeks after such request is received by CFS. If the parties are unable to agree, for any reason, upon such an amendment prior to the day on which the Provider has rendered services hereunder to CFS placed children that will result in aggregate billings to CFS in an amount equal to 100% of the Maximum Dollar Amount under the Contract, CFS will continue to pay the Provider for services rendered hereunder at the rate set forth in the Contract with respect to services rendered hereunder at the case rate set forth in the Contract with respect to services furnished to children placed with the Provider by CFS before the Run-Out Date and children placed with the Provider by CFS on or after the Run-Out Date. However, any duty or obligation for payment in excess of the maximum dollar amount of the contract must be specifically approved by a resolution of Cuyahoga County, at a public meeting, following a public vote.

4. Adjustment to contract Amount: CFS reserves the right to unilaterally adjust and amend the maximum contract amount should it determine that the Maximum Dollar Amount will not be expended during the contract period based on CFS' quarterly projections. CFS will give notice of 21 days to the Providers affected advising of the proposed amendment before seeking a Cuyahoga County resolution. The purpose of the 21 day notice is to give the parties affected a period of time to discuss the proposed adjustment or amendment.

5. Waiver: The Provider expressly waives its signature and approval of the contract amendment submitted to Cuyahoga County permitting the adjustment/amendment, based on the information provided in the 21 day notice referenced in section 4.

6. The total contract amount specified in Section 2 above is the maximum liability of CFS for services under this contract, provided that this amount is appropriated and certified as available.

### **3. MUTUALITY AND RECIPROCITY**

In exchange for the per diem(s) to be paid for services rendered, the Provider is responsible for each of its obligations under this Contract. The Provider shall not be held responsible for noncompliance with the Contract terms where an authorized agent has waived compliance. To assist the Provider in determining who is an authorized agent it shall be the responsibility of the CFS to publish and disseminate a list of all designated parties who are authorized to give consent for all areas stated in this Contract.

In situations where compliance has not been waived and the Provider believes that the CFS has made compliance impracticable or impossible, the Provider shall provide a written notification to CFS within 72 hours of the incident. The notification shall include a statement of the incident which outlines the conduct believed to have made compliance impracticable or impossible. The CFS Deputy Director of Resources and Placement or designee shall review the written statement to determine whether compliance was impracticable or impossible, as well as to determine the required remedy no later than 10 working days from the date of issuance of the notice of dispute to all other parties.

### **4. COOPERATION AND NON-INTERFERENCE**

A. CFS and Provider agree to refrain from interfering in each other's administrative, programmatic, personnel, or operational functions. CFS and Provider further agree to cooperate in order to improve service quality and cost effectiveness. Any changes, programmatic or in service requirements that vary from those in effect on the date of this Contract will be negotiated in good faith. The notion of good faith negotiating shall include the joint consideration of the impact to child(ren), Provider, and CFS.

#### ***B CFS POLICY STATEMENTS***

1. CFS policy statements relevant to the Provider and are to be shared, in written form, with the Provider.

2. Training will be provided on new/amended policies based on mutual agreement of need by CFS and the Provider.

3. If the Provider materially alters, adds, omits or otherwise changes its way of providing services hereunder during the time period covered by this Contract, the Provider shall furnish written notification to CFS not less than 60 days prior to implementation.

**5. COST AND DELIVERY OF PURCHASED SERVICES**

*A. FISCAL RULES*

1 Providers agrees to follow the fiscal accountability rules which include, but are not limited to OAC Chapter 5101:2-47 and ODJFS interpretations now in effect and which may be issued during the life of this contract. The intent of this contract is to comply with the fiscal accountability rules and ODJFS interpretation. If any portion of this contract conflicts with the fiscal accountability rules and ODJFS interpretation, then those rules supersede that portion of this contract.

2 Providers must complete an invoice that includes all services provided under contract. A new contract or amendment is required to add a new service or to adjust a per diem. The IV-E facility identification number must be completed when submitting an initial contract or amendment involving an additional service.

3 Providers must complete an invoice or other appropriate documentation for each child who is being provided a service at a rate different than the per diem listed in a contract. This rate difference or add-on might be an increase or decrease in the per diem listed in the contract. The Provider's invoice must match the agreed upon rate.

4 Subject to the limitations specified in this Contract, the Department shall pay the Provider at the appropriate listed rate for each day that a child, duly placed by the Placement Unit or authorized agent (Hotline, after hours) receives one of the following services, or services approved per section 1.A. of this contract: The services which will be contracted for and the per diems, as well as certain breaks outs of costs, are listed in Attachment A, entitled 'Service Listing' which shall be considered part of this contract.

5 Payment for service will be made for dates of admission, readmission, and return (i.e., return from AWOL status) to the Provider. Payments will not be made for dates of discharges, transfer or departure (i.e., departure due to runaway/AWOL status) from the Provider, unless a different arrangement has been approved by the Deputy Director of Resources & Placement or his/her designee.

6 Payment for the services to non-medicare eligible children shall be authorized only upon prior approval by the Deputy Director of Resources or his/her designee.

7. Reimbursement

CFS is reimbursed by separate formula for the administration and maintenance portions of the per diem paid to providers.

Providers shall report the Administrative and Maintenance portions of the per diem rate per ODJFS guidelines.

*B LEVELS OF CARE*

1 CFS has utilized its placement tool to identify six (6) levels of care. Level 1 is considered basic foster care provided at a family foster home. Level 2 is considered a Treatment Foster Home and shall be identified as Treatment Foster Care level.

2 If a provider has an appropriate program, then the third or fourth levels will be considered Treatment Foster Homes and identified as Treatment Foster Home Levels 3 & 4. Levels 5 & 6 are considered Residential placements.

3 The definitions contained in OAC 5101:2-1-01 and/or 5101:2-1-01.1, which may also be included in section 27, entitled Definitions, shall be applied to the types of foster care or residential treatment referenced in this contract.

4 CFS may review the current level of a youth in care at intervals determined by CFS. Provider agrees to assist with the provision of information necessary for the completion of the placement tool.

*C FOSTER PARENT PAYMENT*

The Provider certifies to the CFS that payments to foster care providers for each service will be an amount consistent with the rates reported to ODJFS. The Provider agrees to notify the Deputy Director of Resources and Placement in writing should the payment to foster care providers change. All information received relative to foster parent payments shall be used to claim Title IV-E reimbursement for the CFS.

*D EDUCATION COST (Out-Of-State Residential Facilities, Only)*

The Provider of residential services located outside of Ohio will provide a break out for educational cost. This will constitute the daily cost expended by the Provider for the education of CFS children placed under this Contract.

*E CREDITS AND THIRD PARTY PAYMENTS*

1 The Provider is required to seek payment from any third party payor for services rendered which may be covered by such third party. These services include, but are not limited to, mental health, dental and medical services. If a third party payor could or should have paid for the services, then it is the sole

responsibility of the Provider to arrange for such payment. To assist the Provider, the Department will apply for a medicaid number, as may be required to secure a source of payment for services, such as medical, dental or mental health, which may be, or should be, covered by other third parties, as soon as practical. Services eligible for payment from alternative sources, such as, but not limited to, the third party payors, such as the medicaid program or any other Mental Health Board program, may not be billed to the Department, without prior authorization from the Deputy Director of Resources and Placement or his designee. The Department will consider invoices for services when the county ward is determined not to be eligible for payment from other programs for reasons, including for example, exceeding financial eligibility requirements.

In situations where the Provider does not possess a medicaid number or other information required to bill a third party payor for services provided to the child(ren), the Provider must take the actions herein described. First, the Provider must contact the various telephone services available, such as the Medicaid Hotline (216-432-3389) or the ODJFS. If the situation cannot be resolved, then the Provider must take the following actions. The failure to take the action described herein results in the waiver of claims for payment of these services from the Department. The Provider is responsible for notifying the Department, within ninety (90) days from the date of placement, that the Provider does not possess the medicaid number or any other information required to seek reimbursement from other programs which could pay for services provided beyond those contemplated within the per diem.

The notification must be in writing and include as much of the following information, as possible: the child's name, including all names the child may have been known by (to the extent known by the Provider), date of placement, social security number, date of birth, person number and date of service. The notification must be sent by facsimile transmission to the Department's Business Services Manager (216) 432-3386. The Department may require a specific form be used for these purposes. The notice must be received by facsimile transmission within the 90 day period referenced above. A Provider who fails to notify the Department within the prescribed time period or within the time frames listed in this paragraph will be deemed to have waived any and all claims for payments for such otherwise reimbursable costs from the Department. Upon receipt, the Department will review the information and seek to assist in resolving the medicaid number or other such issue. The Provider shall, after receiving information from the Department, file the claim within 5 business days of receipt of the information from the Department, or within the applicable time period, whichever time period is greater.

In all cases, the Provider shall seek reimbursement (whether an initial or subsequent request) from a third party payor within the applicable time period. The provider shall file a claim within the applicable time period for all services

for which payment may be had from alternative sources with the information it has in its possession. The Provider shall resubmit the claim, within the applicable time period as may be required. The failure to file an initial or resubmitted claim within the applicable time period is a waiver of any claim for reimbursement from the Department.

The CFS shall retain the right to recoup funds upon the final determination that third party funds are duplicates (in the aggregate) of the CFS payment(s) to the Provider or in the event of failure by the Provider to properly credit any and all such third party payments. Such recoupment action may include the withholding from subsequent reimbursement an amount equal to any uncredited or duplicate third party payments. The mechanism for such determination is set forth in Section 20.

2. CFS shall be the payee for any child who is receiving Supplemental Security Income (SSI). The Provider will notify the CFS' Business Services' Manager if a child placed with the Provider is in receipt of or becomes aware of child becoming eligible for SSI any time during placement.

#### *F. ABSENCES*

1. Vacations: The Department shall continue payment to the Provider, at the per diem rates specified in Section 5, for vacations approved by the worker of record (WOR) and the Senior Manager for Contracted Placement. Vacation requests may be denied if an acceptable plan cannot be established.

2. Hospitalization/Stabilization: The Department shall make payment to the Provider, at the per diem rate specified in Section 5, during the first fourteen days of a child's hospitalization or stabilization, if the Provider continues to provide social services to the child, and the child is returned to the Provider's care immediately upon discharge from the hospital or stabilization.

Partial reimbursement rates will be contracted for and the per diems, as well as certain breaks out of costs, are set 50% of the per diem rate, unless agreed to by CCDCFS and are available for a child hospitalized longer than fourteen days, if the Provider notifies the Department's Senior Manager for Contracted Placement or his/her designee in writing regarding the hospitalization or stabilization and requests continued payment. The Provider shall no longer invoice or bill unless the hospital or stabilization stay beyond fourteen days has been approved by the Deputy Director of Resources and Placement or his/her designee in writing.

3. Visits: CFS shall continue payment to the Provider, at the per diem rate as specified in Section 5, for as many short term and home visits as are deemed to be necessary, feasible, and authorized by the CFS.

4. Detention home admissions: The Department may, in its discretion, continue payment for a length of time deemed appropriate, but in no situation can such time period exceed fourteen (14) days. The Provider must continue to provide social services to the child, and the child must be returned to the Provider's care immediately upon discharge. Additional payment is available for longer absences upon the mutual agreement of the parties and upon the final written approval from either the Senior Manager for Contracted Placement or the Deputy Director of Resources and Placement

5. Runaways and AWOLS: The Department may, in its discretion, continue payment for a length of time deemed appropriate, but in no situation can such time period exceed fourteen (14) days of an absence which is not the result of a Provider or Department decision (i.e., runaway or AWOL periods) as long as the Provider notifies the WOR and Contract Placement Resource Manager (CPRM) (Hotline after hours and weekends) immediately and within no more than three hours of the child's absence or failure to return that continues for at least eight hours. The three hours shall be measured from the time the Provider obtains knowledge of the absence or failure to return of the child that continues for at least eight hours

The Provider may request that the placement be "held" during the time period the youth is AWOL or in runaway status. The following does not impact the provider's obligation to contact CFS's Hotline at (216) 696-KIDS regarding the situation. As to holding the placement, the provider shall e-mail the request to a select group of the staff at CFS, which shall include the Senior Manager for Contracted Placement, The Deputy Director of Resources and Placement, the Supervisor for Contracted Placement, the Contracted Placement Resource Manager and Worker of Record, with a brief description of the situation and identifying information of the youth. The provider should specify a timeframe for the request, based upon the situation. By requesting to hold the placement open, provider warrants that the youth may return to the placement immediately upon return to care, with an expectation that the youth will remain in the placement which was held open. Provider agrees that it will not request that a placement be held if it reasonably believes that the youth will be placed in a respite home or that it will provide a request for the disruption of the placement. If provider fails to request the placement be held "open", then the provider will not receive payment for the time the youth is AWOL or a runaway.

If the provider does not receive a response from CFS by the third business day following the e-mail request, then provider is to cease holding the placement. Provider may follow up with CFS to clarify issues as to holding a placement open. However, absent specific authorization the placement may not be held more than three business days following the date of request

Additional payment is available for longer absences upon the mutual agreement of the parties and upon the final written approval from either the Senior Manager for Contracted Placement or the Deputy Director of Resources and Placement.

Upon cessation of payment by the Department, the Provider shall take all necessary steps to ensure the prompt and smooth transfer of the child and the child's records. The Provider shall not be held responsible for the child during the child's absence; however, if the child returns and the Provider accepts the child back into the program, the Provider shall again be responsible for such child.

The Provider may petition the Department, to extend the payment period beyond the 14 days. During this extension period, the Provider shall readmit the child immediately upon his/her return. If the Department has terminated placement or payment, the Provider is no longer responsible for the child, the Provider shall ensure the prompt delivery of all records to the Department.

*G. TRANSPORTATION (All services)*

The Department shall be responsible for travel costs incurred at the time of placement, discharge and the vacation periods specified in Section 5 hereof. The Provider shall be responsible for the costs of travel for family visits provided for in the case plan that occur within Cuyahoga County and contiguous counties at a mutually agreed upon Date and Time and Place for family visits. The place for the visits can include the CFS headquarters, CFS deployed sites, neighborhood centers and other such sites. The Department will reimburse Provider for costs incurred as the result of increased family visits provided for in an amended case plan. The Provider will be reimbursed for costs incurred for transportation for family visits outside Cuyahoga County or contiguous counties with the prior approval of the Senior Manager for Contracted Placement. All reimbursement to Provider shall be at the same mileage rate that is paid to CFS employees for ground travel.

The Provider shall not make commercial inter city travel arrangements, and will not be reimbursed for, travel costs incurred on behalf of children placed pursuant to this Contract, unless such arrangements have been prior authorized by the Department's Senior Manager for Contracted Placement, in writing.

*H CLOTHING (Residential, Foster Care only)*

1. PLACEMENT: The Department shall ensure that all children have and/or receive adequate clothing when they are initially placed. At a minimum, clothing for the child shall constitute seven days of clothing and undergarments, including shoes, boots, and a coat as appropriate to the season. Upon placement, the worker of record shall complete a Clothing Request & Clothing Inventory/Assessment Form documenting the needs of the child at placement. If,

upon placement or thereafter, the Provider should discover that the child's clothing needs have not been adequately addressed by the Department, the Provider must, within thirty days of placement, request of the CFS worker of record, in writing, the amount and type of clothing needed, so that additional arrangements can be made. Additional arrangements are contingent on the understanding that such a request meets the criteria as outlined in Sections 5H1a through 5H1h below. If such a request is not received, the child's needs will be considered met and the Provider shall become responsible for the purchase of any additional items of clothing which become necessary. The Provider, through the per diem payment is expected to provide for and maintain an ongoing supply of appropriate and adequate clothing for each child in their care. Special consideration will be given for the following:

- a. Clothing destroyed/stolen: The Department will be responsible for replacement of lost, destroyed or stolen clothing as long as the loss was not through the fault or acts of the foster parents or the provider. For Example, the foster parents' disposal of the child's clothing prior to a move would not trigger the Department's obligations to replace clothing. In such situations, the costs would be charged to the Provider whose foster parents disposed of the clothing. The Department reserves the right to require documentation of the loss from the Provider. The Department also reserves the right to deny replacement of items if the documentation is not sufficient.
- b. AWOL: If a child goes AWOL the Provider is responsible for securing the child's clothing for fourteen (14) days. The Department case worker of record will then be responsible for obtaining the clothing from the Provider.
- c. Natural Disaster/ Fire: Clothing lost as a result of fire will be replaced by the Department up to the deductible or \$250.00, whichever is less. Insurance coverage should be determined by the caregiver before the worker of record submits a clothing request.
- d. Uniforms: School or technical uniforms for children in placement are allowable once per year up to \$175.00 if the child is enrolled in a school district that requires uniforms. Uniforms for extracurricular activities are allowable once per year up to \$80.00.
- e. Graduation: Expenses are allowable for graduation, up to \$750.00. \$750.00 limit may be increased.
- f. Unusual growth spurts: Extreme height or weight gain or loss may justify a special order. The amount of the order will vary according to the age of the child.
- g. Pregnancy: A special order may be given for pregnancy, up to \$500.00.
- h. Other exceptional circumstances: Other requests may be considered, depending on the facts of the case.

2. The Department will issue a single clothing allowance per child. If a Provider or foster parent purchases clothing prior to receipt of the allowance, then such expenditures must be reimbursed through the clothing allowance funding. The Department will not reimburse for expenditures in excess of the clothing allowance permitted by the Department. It is incumbent upon the Provider and/or foster parents to properly budget the funding to ensure that the child has appropriate clothing.

3. **DISCHARGE:** The Department and the Provider agree that at the point of discharge, the Provider shall send with the child a minimum of seven (7) days worth of clothing. The Provider shall also provide any clothing purchased for the child during placement and which are appropriate at discharge. At a minimum, clothing for the child shall constitute seven days of clothing and undergarments, including shoes, boots, and a coat as appropriate to the season. On the date of discharge of the child, a CFS worker shall conduct an inventory for the child of all clothing sent with the child by the Provider. The Department reserves the right to assess a penalty of \$275.00 if the Provider fails without just cause to comply with this paragraph. The penalty will be deducted from future payments made to the Provider pursuant to the terms of this Contract but Provider shall be notified prior to the assessment of the penalty.

4. The Provider may request of the CFS worker of record the reason for the denial of the clothing order (i.e., clothing order issued within the last six months, clothing request not received within first sixty (60) days of placement) in order to ascertain if the request should receive special consideration as outlined in Section 5 (H) (1).

#### *I ADDITIONAL SERVICES REQUIRING PRIOR AUTHORIZATION*

1. **Level of Care Change -** Provider shall seek prior written authorization from the Resource Manager of the Contracted Placement Resource Management Unit for any child specific level of care change in a contracted service per-diem as stipulated in Section 5. Upon receipt of such a request, the Resource Manager shall confer with the Supervisor of the Contracted Placement Resource Manager Unit who approves or denies any such request. The Contracted Placement Resource Manager shall send written approval or denial within five (5) to ten (10) working days of the receipt of the original request. The provider shall request review to the Senior Manager for Contracted Placement within ten (10) working days of receipt of the written approval or denial issued by the Resource Manager. Such request shall be reviewed by the Senior Manager for Contracted Placement and approval or denial shall be issued within ten (10) working days. The effective date of an approved level change is the date CCDCFS receives all documentation necessary for CCDCFS to determine the change in levels.

2 Additional Services/Per Diem Increase - The Provider shall seek prior written authorization from the Contracted Placement Resource Manager for payment of all other expenses not addressed herein. Upon receipt of such a request, the Contracted Placement Resource Manager shall confer with the Senior Manager of the Contracted Placement Department and approve or deny any such request. The Contracted Placement Resource Manager shall send in written approval or denial within ten (10) working days. Upon request, any denial shall be reviewed by the Deputy Director of Placement/Resources. The approval shall be time-limited and based on the need of the individual. Extension requests shall be submitted for review 30 days before the expiration date. The process of requesting an extension shall follow the initial request procedure. In an emergency situation, the Senior Manager for Contracted Placement may grant a verbal approval but such approval shall not relieve Provider from submitting a written request as required herein.

The Provider's request shall include, but not be limited to, the following information:

- a) the child's specific needs;
- b) the specific services that will be provided to meet these needs, costs and duration of need;
- c) a description of the additional services on the part of the caregiver (e.g., assumption of additional responsibilities, additional training, additional Provider support, etc.) to make this placement work both for the child and the foster family; and
- d) what outcomes are expected and how they will be measured and monitored.

3 The Department shall refuse to pay for any services that are not specified in this Contract for which the Provider failed to seek prior written authorization from the Department pursuant to the above procedures.

#### *J INVOICING INSTRUCTIONS*

1 Providers, in complying with requirements Ohio Administrative Code Section 5101:2-47-23.1, and other Ohio Administrative Code Sections relating to fiscal accountability procedures, must state that invoices are true, correct and accurate, to the best of their knowledge.

2 This statement appears on the last page of the Placement Service Contract Reimbursement Request form. On the Individual Placement Service Contract Reimbursement Request form, it is the last section of the form to be completed. The statement shall be composed for the following:

3. The Provider shall, within 30 working days following the last day of each calendar month, submit an initial invoice to the Payment Processing Unit, indicating child's name, person number, date of birth, number of days services were rendered, per diem, amount requested and contract number. Invoicing shall be completed on the form provided by CFS or a form or format which contains elements as the one provided by CFS. Invoices should be submitted electronically or in triplicate to:

4. Resubmission of denied bills or partially paid bill. The Provider may resubmit claims based upon billing statements denied in whole or part or if the statement contained an error. The resubmission must be in the form of a separate invoice and contain all the information required of an initial invoice. A resubmitted invoice should be identified as such, and be limited to the amount actually outstanding. The agency will review the resubmission and determine what, if any, amounts may be paid per the resubmission request. If the Provider is still not satisfied with the agency's response to the resubmission, then the Provider may use the Grievance Resolution Procedure of Paragraph 20 as its sole remedy. Resubmissions may not be made after the closure of the contract billing period in section 5.

5. Closure of the contract billing period. CFS must have a date certain to receive all billing statements for the contract period listed in "Contract Period" section of this contract. The county will not accept or process any initial invoices for the "Contract Period" identified in this contract received after 4:30 pm ninety (90) days following the end of the "Contract Period."

For example, if the "Contract Period" ends June 30, 2012, then the ninety (90) day period expires 4:30 pm on September 30, 2012. Billing statements received prior to the appropriate ninety (90) day time period will be processed per the contract guidelines. As long as the initial invoice is received prior to the 90 day closure, the invoice will be deemed timely and, if payment is denied or partially paid, no resubmission is required. The parties will continue to discuss disputed payment issues and the parties may invoke the grievance process to resolve such issues.

Invoices submitted after the 90 day period shall be deemed untimely and shall not be paid by CFS. CFS will reject and not consider such late invoices for payment.

*K PAYMENT*

The Payment Processing Unit will review the Provider's invoice before making payment. CFS will use best efforts to review and make changes on the invoice received within the period specified above and be processed within fifteen (15) business days of receipt and submitted to the County Auditor's office for payment. Invoice charges are subject to adjustment by the Payment Processing Unit before payment is made, in order to correct for mathematical errors, incorrect rates, non covered services, etc. CFS shall provide Provider with an explanation for any adjustments to the invoice.

*L SIBLING RATE*

The "sibling rate" is a special rate in situations where: (1) a provider accepts two (2) or more children from a sibling group; (2) the sibling group is placed in the same foster home; (3) at least one of the children is considered by CFS at level 2 or higher; and (4) other siblings are determined to be at level 1. The Provider will receive payment for the level 1 siblings at the treatment foster level 2 rate, reduced by 27.5%.

**6. TITLE IV-E REIMBURSABLE SERVICES**

A. The Provider agrees to comply with all applicable federal and state mandates necessary in establishing IV E reimbursability for all applicable service/programs. The Provider agrees to comply with applicable reporting time deadlines established by the Ohio Department of Jobs and Family Services (ODJFS) and understands that a failure to do so may result in recoupment of those funds actually lost to the Department as a result of a failure to comply with reporting deadlines. Such a recoupment can be from future payments, following the mechanism set forth in Section 20.

In the event the Provider exceeds the reporting time deadlines for the above mentioned requirements, the Provider, when compliance is achieved, will submit to the Department's Business Services' Manager the rate approval letter from the Ohio Department of Jobs and Family Services (ODJFS).

**17. AUDIT**

A The Provider agrees to follow ODJFS rules and requirements including Ohio Administrative Code 5101:2-47-23.1(B)(9) regarding financial reporting and audits in existence at the time of this contract and as modified during the term of this contract

B Provider agrees to make available to Agency a copy of the independent audit it receives in accordance with Ohio Revised Code section 5103.0323.

C If through an audit of Provider's cost report in accordance with Ohio Administrative Code rule 5101:2-47-01(N) or other applicable sections, it is discovered that non-allowable costs were reported on the Title IV-E cost report, Provider agrees to refund to Agency any overpayments resulting from the non-allowable costs which resulted in a finding against CFS. This refund is designed to make the Agency whole, since the Agency may be responsible for refunding all overpayments to ODJFS

D If Provider participates in the Title IV-E program, Provider agrees to timely file its Title IV-E cost report with the Ohio Department of Job and Family Services (ODJFS). Failure to timely file the Title IV-E cost report will result in the Provider refunding to CFS the amount equal to the loss actually suffered by the PCSA. This penalty is designed to off-set any cost the Agency may incur during the time period that the Provider is without a Title IV-E rate.

**18. CIVIL RIGHTS & COMPLIANCE WITH LAWS**

Provider certifies that it is an equal opportunity employer and shall remain in compliance with state and federal civil rights and nondiscrimination laws and regulation including, but not limited to Title VI and Title VII of the Civil Rights Act of 1964, the Rehabilitation Act of 1973, the American with Disabilities Act, the Age Discrimination Act of 1975, as amended, the Inter-Ethnic Act, Multi-Ethnic Placement Act (MEPA), the Adoption and Safe Families Act and any laws of the United States or State of Ohio which are applicable. This includes any and all federal and state regulations and rules, including but not limited to compliance with rules adopted during the time period of this contract. If the federal or state governments promulgate rules, amendments, of any kind or type, the parties agree that they will act, and the contract must be construed, as requiring acts in compliance with all laws and regulations. During the performance of this Contract, Provider will not discriminate against any employee

or applicant for employment because of race, color, religion, sex, sexual orientation, national origin, ancestry, age, handicap, political belief or place of birth. Provider will take affirmative action to ensure that all employees are treated during employment without regard to race, color, religion, sex, national origin, ancestry, age handicap, political belief or place of birth. Such action shall include, but is not limited to, employment upgrading, demotion or transfer, recruitment, advertising, layoff, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship.

The Multi-Ethnic Placement Act (MEPA), 42 U.S.C. 1996b prohibits the consideration of race, color or national origin in placement decisions, except under narrow circumstances. The Provider agrees that it will document decision making in written form to show the considerations used. The Provider will notify the Department immediately if the Provider deems it proper, under MEPA or state law, to consider race, color or national origin. The Provider agrees that placement will not occur, in those matters where the Provider has chosen to consider race, color or national origin, until it contacts the Department and completes all requirements of federal and state law.

Provider agrees not to establish or knowingly permit any such practice(s) of discrimination or segregation in reference to anything relating to this Contract, or in reference to any network members or subcontractors of Provider. The Provider agrees that it will not permit funds to be paid or committed to be paid to any corporation, firm, association or business in which any of the members of the governing body of the agency, the executive personnel or their immediate families have any direct or indirect financial interest, or in which any of these persons serves as an officer or employee; unless the services or goods involved are provided at a competitive cost and under terms favorable to the Provider. The Provider shall make written disclosure, in the minutes of the board, of any and all financial transactions of the Provider in which a member of the board or his/her immediate family is involved. Provider agrees to adhere to the requirements of rule 5101:2-47-261(F) of the Ohio Administrative Code as it relates to this provision.

#### **19. INDEMNITY**

The Provider agrees that it will at all times indemnify and save harmless the Department, Cuyahoga County, and any and all officers, agents, servants, or employees thereof against any and all liability, loss, damages, costs or expenses which the Department or Cuyahoga County and any and all of their respective officers, agents, servants, or employees may hereinafter sustain, incur, or be required to pay due to: (1) any negligent, reckless or intentionally wrongful acts or omissions of the Provider related to the performance of this Contract and that cause any child placed pursuant to this Contract to suffer personal injury, death, property loss, or damage, either while participating in or receiving services furnished by the Provider under this Contract, or while on the premises or in any vehicle owned, operated, leased, chartered, or otherwise contracted for by the Provider or any officers, agents, servant, or employee thereof, or (2) any child placed pursuant to this Contract causing personal injury, death, property loss, or damage to be suffered by another person while the child placed pursuant to this Contract is either participating in a program or is receiving services furnished by the provider under this Contract if such personal injury, death, property loss or damage is the direct result of the negligent, reckless or intentionally wrongful acts or omissions of the Provider.

## **21. CONSTRUCTION**

This Contract shall be governed, construed, and enforced in accordance with the laws of the State of Ohio. If any portion of this Contract is found to be unenforceable due to statute, or administrative or judicial decision, the operation

or enforceability of the unaffected balance of this Contract shall not be effected thereby.

**22. NON- ASSIGNMENT**

Provider shall not assign or transfer any interest in this Contract without the express written permission of the CFS and may subcontract for services only as expressly provided for in this Contract. The provisions of this section do not extend to contracts entered into between Provider and foster parents

Any subcontract for services entered into by Provider with the approval of CFS shall be in writing and shall specifically require any subcontractor to comply with the terms of this Contract. CFS retains the right to review and approve all subcontracts entered into by Provider that relate to any service Provider is contractually required to furnish pursuant to the terms of this Contract.

**23. STATUS OF PROVIDER**

Provider agrees that no agency, employment, joint venture, or partnership has been or will be created between the parties hereto pursuant to the terms and conditions of this Contract. Provider also agrees that, as an independent contractor, Provider assumes all responsibility for any federal, state, municipal or other tax liabilities along with workers compensation, unemployment compensation, and insurance premiums which may accrue as a result of compensation received for services purchased by County/CFS hereunder. Provider agrees that it is an independent contractor for all purposes including, but not exclusively limited to, the application of the Fair Labor Standards Act, the Federal Insurance Contribution Act, applicable provisions of the Internal Revenue Code, applicable provisions of Ohio Tax law, Workers Compensation Law and Unemployment Compensation Law.

**24. MISCELLANEOUS-ENTIRE AGREEMENT**

This document constitutes the entire agreement between the parties with respect to all matters that are the subject of this Contract. This Contract may be amended only by the mutual agreement of the parties and only by a writing signed by both parties. The only exception is the "Maximum Dollar Amount" which may be adjusted unilaterally per Section 2 entitled "Contract Period." The parties specifically acknowledge that no promises, warranties or representations have been made to or relied upon by them other than those contained in this Contract.

**25. TERMINATION**

A Either party may terminate this Contract by giving thirty (30) days written notice to the other party

B The County/CFS may suspend or terminate this Contract immediately by delivery of written notice to Provider for any of the following breaches of the contract: failure by Provider to maintain in effect all licenses required by law, failure by Provider to provide any of the services contracted for in the manner agreed upon or in accordance with the time provisions contained in this Contract; failure by Provider to maintain qualified staff in the numbers agreed upon in this Contract; failure by Provider to provide data according to the time frames established in this Contract, provide access to records in a timely manner or failure to submit to CFS any of the reports required by this Contract according to the time frames set forth in this Contract. The County/CFS may suspend or terminate this Contract immediately by delivery of written notice to Provider for any other reason deemed to be a material breach of the terms of this Contract whether or not such reason is specifically set forth herein.

C If this Contract terminates or is suspended for any reason, including under this Section 25, or due to non-renewal or non-extension of this Contract, the following provisions shall apply:

1. CFS may, but need not, make new referrals to the Provider after such termination or suspension, unless, in the case of a suspension, such suspension ceases, and the Provider may, but need not, accept any such referrals.

2. Unless otherwise requested by CFS, the Provider will use reasonable efforts to transfer children placed by CFS with the Provider to other providers approved by CFS or to such other place as approved by CFS as soon as reasonably practicable.

3. CFS will continue to be obligated to pay for services rendered to each CFS child who was placed with the Provider before or after the date of termination or suspension of this Contract until such time as the Provider transfers such child to another provider or to another approved place. The amount of such payments will be set in accordance with the rates set forth in this Contract as if this Contract was then in effect.

4. The Provider will furnish a report as of the date of the suspension or termination, and at the end of each month thereafter, until all CFS placed children have been transferred, detailing all work completed up to and including such date. Such report shall include, as a minimum, all information required in Section 7 and 8 hereof.

5. Provider, upon receipt of notice of termination, agrees that it will cease work on the terminated activities under this Contract, terminate all subcontracts relating to such terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs, and furnish a report as of the date of receipt of notice of termination describing the status of all work under this Contract, including without limitation, results accomplished, conclusions resulting therefrom, and such other matters as the Agency may require.

D Upon breach of the material provisions, obligations or duties contained in this Contract by either party, the other party may exercise any administrative, contractual, equitable, or legal remedies available to it, without limitation. However, any lawsuit must be commenced in the Cuyahoga County Court of Common Pleas. The waiver of any occurrence of breach is not a waiver of subsequent occurrences, and each party retains the right to exercise all remedies to which it may be legally or equitably entitled. If the County/CFS or Provider fails to perform an obligation under this Contract and, thereafter, such failure(s) is (are) waived by the other party, such waiver is limited to the particular failure(s) so waived and shall not be considered effective unless it is in writing and signed by an authorized representative of such party.

**26. FORCE MAJEURE- LABOR DISTURBANCES**

A Force Majeure: If the Provider fails to perform any of its obligations hereunder, in whole or in part, due to acts of God, epidemics, floods, lightening, fire, loss of utility service (for reasons not including the non-payment of bills), acts of law, or any other unexpected or disruptive event beyond the reasonable control of the Provider, the Provider will not be in breach of this Contract due to such failure.

B Labor Disturbance(s): If the Provider fails to perform any of its obligations hereunder, in whole or in part, due to a strike(s), lockout(s) or other labor disturbance(s), the Provider will not be in breach of this Contract due to such failure.

C If an event occurs which is covered under section 26(A) or (B), i.e., force majeure or labor disturbance(s), the Provider shall provide written notice, sent by facsimile transmission, to the Executive Director of CFS within 24 hours of the occurrence. The correspondence will set forth the Provider's arrangements and/or plan to meet the needs of the children in care. CFS reserves the right to compare the services provided during an event, covered under section 26(A) or (B) to this contract, with the services required by this contract and negotiate adjustments as to the amounts payable under this contract. If agreement cannot be attained, the Provider shall implement the Dispute Resolution Procedure outlined in this Contract in Section 20.

**27. COMPLETION OF FORMS**

The provider agrees to complete the Ohio Department of Public Safety form HLS 0038 (3/10) entitled "Government Business and Funding Contracts."

**28. EDUCATION**

It is the expectation of CFS that children in foster care will attend the general public school system that serves the foster home. The provider or foster parent believing that a school, other than the general public school serving the foster home, does not meet the child's needs, or that another school would better meet the child's needs, may forward a letter to the WOR and his/her supervisors explaining the request. This letter should explain payment of costs associated with the request. The Cuyahoga County Department of Children and Family Services (CCDCFS) is committed to providing children with safe environments that nurture and promote their well-being and healthy development. As such, outcomes related to an assessment of child safety, stability and well-being are critical to the agency. CCDCFS seeks to prioritize and collaborate with Providers to maximize child welfare outcomes in relationship to these areas.

For the contract period of October 1, 2011 - June 30, 2012, the goal is to track and collect the data only in an effort to establish benchmarks. No financial rewards or penalties are assigned to FY 2011/12 performance. The provider agrees to tracking and data collection related to the identified outcomes. Data collection related to the identified outcomes is to be provided to CCDCFS on a quarterly basis for review and comparison to CCDCFS SACWIS data collection. The data collection report is due to CCDCFS within twenty (20) calendar days following the end of each quarter.

During the course of this contract period, CCDCFS is committed to working in collaboration with Providers in the continued development and establishment of outcome indicators and reporting procedures as related to the attached outcome matrix.
