The designated officers shall meet as often as the parties reasonably deem necessary in order to gather and furnish to the other all information with respect to the matter in issue which the parties believe to be appropriate and germane in connection with its resolution. Such officers will discuss the problem and/or negotiate the applicable section or provision without the necessity of any formal proceedings relating thereto. During the course of such negotiation, all reasonable requests made by one party to the other for information will be honored in order that each of the parties may be fully advised in the negotiations. The specific format for such discussions will be left to the discretion of the designated officers but may

include the preparation of agreed upon statements of fact or written statements of position furnished to the other party. No formal proceedings for the binding arbitration of such dispute may be commenced until (i) resolution as contemplated in this clause has been unsuccessful and (ii) either of the parties concludes in good faith that amicable resolution through continued negotiation of the matter in issue does not appear likely and so notifies the other party.

Such termination shall be referred to as "Termination for Default". Upon determination by either party hereto that the other has failed to satisfactorily perform its obligations and responsibilities hereunder, the party seeking termination shall notify the defaulting party in writing of the failure and of the time period that has been established to cure such failure, which time period shall be not less than ten (10) days. If the defaulting party is unable to cure the failure within the specified time period, the party seeking to terminate may, by giving written notice thereof to the defaulting party, terminate this Contract, in full or in part, as of the date specified in the notice of termination. - 7.9 Commencement of Contract Performance. In order to protect the interest of the County this contract must be executed by the County before compensation for the services or products set forth in this contract can be provided.
