Cuyahoga County Council
2079 East Ninth Street - 8th Floor

Dear President Jones and Chairwoman Brown,

On behalf of the Personnel Review Commissioners, please find attached the PRC's 2020 Ethics Compliance Report. The report includes findings and recommendations regarding Cuyahoga County's efforts to train employees, distribute Ethics policies and law, and post notice of the County's whistleblower practices as required by Section 407.03 of the County Code. During 2020, the County provided both 45-minute virtual training opportunities as well as some 15-minute in-person training opportunities to certain employee groups. The County's Human Resources department was instrumental in providing information necessary to complete this report, and the PRC appreciates their assistance.

The 2020 Ethics audit provided multiple challenges, including changes in key staff roles in both the PRC and the HR department. In addition, training records are not maintained in SAP, which holds data regarding employee separations and leaves. As a result, much of the information necessary to complete this report needed to be entered manually. HR Director Jesse Drucker has committed to working with the PRC going forward to streamline the recordkeeping procedures to enhance the efficiency of future compliance audits.

From the report, highlights include:

- 1) Of the 4,688 employees who were required to complete 2020 ethics training, 414 completed it in 2021, and 244 employees failed to complete the training at all.

Recommendation: The PRC is reiterating its recommendation from earlier compliance audits to ensure that all employees receive training during the calendar year in which it is required.

- 2) As of early 2021, the PRC found that 373 Corrections Officers had not yet completed 2020 ethics training. These employees did not have easy access to computers, and HR Director Jesse Drucker directed that in-person training be available from March 22, 2021 to March 29, 2021 to provide an opportunity for those employees to complete the required training. Staffing concerns in the jail also impacted the ability of these employees to receive the necessary training. However, as of July 26, 2021, there are still 25 currently active C.O.s who did not complete the required 2020 ethics training. To date, the PRC understands that no employees have been subjected to progressive discipline for failing to complete the training.

Thomas Colaluca, Chairman
Deborah Southerington, Commissioner
F. Allen Boseman, Commissioner

Recommendation: Provide both virtual and in-person training early in the calendar year to provide ample opportunities for all employees to complete the training and implement progressive discipline for those who do not timely complete it.

- 3) Newly hired employees are required to complete ethics training within 30 days of hire. In 2020, the County hired 344 new employees; 11 failed to complete the training, 34 did it between 31 and 60 days after hire, 18 did it between 61 and 90 days after hire, and 24 completed it more than 90 days after hire.

Recommendation: Assign accountability for new employee training to a particular individual or group of individuals and establish recordkeeping procedures that support the County's ability to track new employee training and ensure training requirements are met.

The PRC found no concerns regarding HR's practices pertaining to distribution of the Ethics policy and posting of the County's whistleblower practices. Finally, the PRC wishes to acknowledge the efforts of Cynthia Sands, PRC Manager of Compliance Auditing, and Denne' Anderson, HR OED and Training Specialist in preparing this report.

Respectfully,

Rebecca Kopcienski

ETHICS COMPLIANCE REPORT

Cuyahoga County
Personnel Review Commission

PURPOSE OF THIS COMPLIANCE REPORT

Chapter 9.02 of the Cuyahoga County Charter and Chapter 407 of the Cuyahoga County Ethics Policy/ Cuyahoga County Code (Ethics Policy/ Code) state the Personnel Review Commission's (PRC) authority relative to the Ethics Policy. Chapter 9.02 empowers the PRC to review and audit compliance with federal, state, and local laws regarding personnel matters within the County Executive's organization and departments. This includes the "authority to submit reports and recommendations to the County Executive and County Council on issues of compliance."

Ethics Policy/ Code section 407.02 specifies the PRC's reporting authority. It requires the PRC to provide an annual report to County Council detailing employee ethics training provided by HR, employees' receipt of ethics laws, and HR's posting of whistleblower policies in County worksites. The specific requirements for these three areas are:

- **Training** – All elected officials, employees, and board members are required to complete ethics training within 30 days of assuming office. Thereafter, elected officials and employees are required to complete training on an annual basis. (Ethics Policy/ Code §403.01(A).)
- **Distribution** – A copy of ethics laws and the County Ethics Policy Manual prepared by the Department of Law shall be distributed to all elected officials, employees, and board members who shall acknowledge receipt. (Ethics Policy/ Code §§403.01(B), 407.03(C).)
- **Posting** – Whistleblower policies shall be posted with other employment law postings at County worksites. (Ethics Policy/ Code §407.03(E).)

CUYAHOGA COUNTY'S ETHICS POLICY

The Charter and the Ethics Policy govern the duties of the Inspector General (IG), the County's Department of Human Resources (HR), and the Personnel Review Commission (PRC) relative to the Ethics Policy. Cuyahoga County's Ethics Policy, also known as the Ethics Code or Law, is stated in Title 4 of the Cuyahoga County Code (Code).

Inspector General's Duties Relating to this Compliance Report

The IG has prepared a comprehensive Plain Language Guide/Ethics Policy Manual (Guide) to "assist County employees, elected officials, board members, contractors and lobbyists to better understand and comply with the County Ethics Code." (Ethics Policy/ Code §407.01(M).) This Guide is located on the Agency of the Inspector General's ("AIG") website under the "Everyday Ethics" tab. (<https://inspectorgeneral.cuyahogacounty.us>.)

HR's Duties

Ethics Policy/ Code section 407.03 sets forth HR's duties. Among other duties not relevant to this Compliance Report, HR must administer ethics training, distribute a copy

of the County's Ethics Policy Manual to all elected officials, employees, and board members who are required to receive ethics training, receive and maintain records of ethics certifications, and post the County's Whistleblower Policy at County offices. (Ethics Policy/ Code §407.03(A), (C), (D).) HR is authorized to enforce ethics compliance and may take actions necessary to do so. (Ethics Policy/ Code §407.03(E).)

County Employees' Duties

The Cuyahoga County Employee Handbook section 4.01 outlines County employees' duties relative to the Ethics Policy. It states:

“All employees are required to demonstrate a high standard of ethical conduct. New employees are required to complete ethics training within the first thirty (30) days of their employment. All employees are required to complete ethics training annually. The County has an Ethics Code, which is administered by the Agency of the Inspector General. The Ethics Code can be found in Title 4 of the County Code.”

In accordance with the PRC's authority and responsibilities, below is the PRC's 2020 Ethics Compliance Report.

PRC'S 2020 ETHICS COMPLIANCE REPORT

A. PRC'S OBJECTIVE AND METHODOLOGY IN PREPARING THIS COMPLIANCE REPORT

This Compliance Report ("Report") is intended to provide Cuyahoga County Council with a summary of Cuyahoga County's Human Resources Department's compliance with the requirements of the County's Ethics Policy, specifically Section 407.03.

The PRC and HR collaborated to compile information necessary to provide County Council with this Report, in accordance with section 407.02 of the Code. The data is accurate as of July 26, 2021. A copy of this data accompanies this Report as Attachment A.

The PRC used the following data to produce this Report:

- HR's 2020 Upholding Trust in Government: Cuyahoga County Ethics Law Reports from the MyLearning training recordkeeping system
- HR reports of termination dates and leave of absence dates of non-compliant employees from the County's employee information database (SAP)
- County Executive's Personnel Agendas for 2020
- HR report regarding Whistleblower Policy postings
- Whistleblower Policy

B. PRC'S COMPLIANCE CONCERNS AND RECOMMENDATIONS

All elected officials, employees, and board members are required to complete ethics training on an annual basis, and newly hired employees must complete it within 30 days of hire. (Ethics Policy/ Code §403.01(A).) This compliance audit includes all employees hired or employed in the County Executive's organization pursuant to Charter section 9.02(2) during calendar year 2020.

As background, since 2019, the County's Human Resources department has been transitioning to a new Enterprise Resource Planning (ERP) system which is a county-wide integration of multiple business systems for the County. The ERP includes software for budget management, asset management, procurement management, and human resources management amongst other things. The overarching system is INFOR, and it includes multiple modules to address aspects of HR, such as the talent acquisition module, the employee training module (MyLearning), employee data (Global Human Resources, GHR) module, and the benefits module. Because the PRC does not yet have access to or training in the new systems, we had to rely solely on information from HR as it is the entity responsible for maintaining records of the various compliance activities addressed in this Report. Those activities include providing ethics training, providing the Ethics Policy to employees, posting the Whistleblower poster at County worksites, and maintaining the records of these activities

In providing information to the PRC for this compliance audit, HR had to obtain data from two non-integrated databases which are the MyLearning module of INFOR and the County's employee database SAP. SAP is the County's legacy system for maintaining

employee data. The data from the two sources could not be automated into a combined report because they are not integrated, so the PRC had to manually enter dates of terminations and leaves of absence to merge information necessary to complete the audit for this Report, which made preparing this Report unnecessarily time-consuming.

Another factor that contributed to the difficulty in completing this project was changes in key positions in the Organizational and Employee Development division of the HR department, specifically new personnel in the Director Human Resources, Talent Management and the Manager of Talent Management roles. The vacancies took some time to fill, and the new personnel needed time to get up to speed on the PRC's needs.

In addition, the training reports from the MyLearning module are updated daily and reflect the current workforce only on any given day. Employees on FMLA or medical leave are not included, which further complicated the reporting and required additional time to reconcile records.

The County's Approach to 2020 Ethics Training

Ethics training in 2020 was offered electronically via My Learning commencing July 6, 2020. Access to this electronic training was announced on the County's intranet under the "Cuyahoga County News Now" tab and County employees were also notified that this is an annual training requirement. This tab contained hyperlinks to the "MyLearning" system and an instruction sheet describing how to access the "MyLearning" website regardless of work location. A link to the Ethics Policy was located within the course on the acknowledgment page. The Ethics training in the "MyLearning" system was a 45-minute virtual video presentation.

In addition, the County offers in-person training for certain employees, to address the fact that not all employees have access to computers in their regular work for the County. The in-person training was a 15-minute presentation. For in person training, the link to the Ethics Policy is stated on the back of the Assessment form provided to employees after the training.

1. 2020 Ethics Training of Existing Employees

The data from the July 26, 2021, reconciled report shows that 4,688 Executive agency employees were required to complete 2020 ethics training and of this number 4,444 completed it.

Compliance Concern #1

Of the 4,688 employees who were required to complete 2020 ethics training:

- 414 employees completed 2020 Ethics Training in 2021.
- 244 failed to complete it.
- 4 were on leaves of absence for portions of 2020 but could have completed the training.
- 52 employees terminated employment in 2020 and therefore were not required to complete the training.

PRC Recommendation #1

Section 403.01(A) of the County Code states that “elected officials and employees **shall** complete ethics training annually for every year of service with the County....” Employees not on approved leave who failed to complete training before December 31, 2020, violated the Ethics Policy whether or not they completed it in 2021. All employees who failed to complete ethics training before December 31st should be advised by HR or the IG that they are in violation of the County Code. Further, during the year training is required, HR should track employees who fail to complete it and afford them the opportunity to complete it in the year due.

2. Compliance Concerns Regarding Justice Services Corrections Staff

When the PRC began this audit in early 2021, we discovered that 373 Corrections Officers in the Justice Services Department (over half) had not completed 2020 ethics training. These employees do not have easy or ready access to computers. The Director of HR afforded these employees the opportunity to obtain the training by providing 24 in-person sessions between March 22, 2021, and March 29, 2021. These were the only in-person make-up sessions available to all Executive agency employees. The PRC chose to postpone this audit to allow these employees to undergo the training.

As of the July 26, 2021, reconciled report, 313 out of these 373 Corrections Officers completed the 2020 ethics training. Of the 60 Corrections Officers who did not complete the training, 25 are currently active.

On May 14, 2021, after HR made multiple attempts to assist Justice Services Corrections employees in completing 2020 ethics training, HR sent emails to those employees who failed to complete the training, advising them of the Code section requiring them to complete training, giving them until May 21, 2021, to complete it, and stating that if they failed to complete it their employment would be terminated. Recently, this proposed discipline process was revised to the following procedure:

- If an employee fails to complete the annual ethics training by December 31st, a non-compliant report is sent to HR Teams to assist the employee in completing the ethics training.
- If the employee fails to complete ethics training within 30 days of the deadline, a “Letter of Notice” is sent from the Inspector General’s office.
- If the employee fails to complete ethics training within 60 days of the deadline, a “Letter of Suspension” is sent from HR Leadership.
- If the employee fails to complete ethics training within 90 days of the deadline, HR Leadership may impose discipline on a case-by-case basis.

Compliance Concern #2

HR did not track employees who failed to complete ethics training in 2020 and did not notify the AIG of employees who missed the training, as has been the policy and practice in prior years.

HR Response

HR states that this practice did not occur in 2020 due to changes in staffing in the Organizational and Employee Development (OED) division of HR. In 2021, OED and HR managers communicated make-up session information directly with the Jail Administration to facilitate ethics training for its staff.

PRC Recommendation #2

The PRC strongly recommends that HR reinstate this policy to ensure all employees comply with the Ethics Policy. Furthermore, the PRC strongly recommends that the County provide several in-person ethics training sessions to afford all employees who do not have ready or easy access to a computer the opportunity to complete ethics training and to comply with law.

Compliance Concern #3

Employees who did not complete the 2020 ethics training were not disciplined for failure to do so.

HR Response

Going forward, HR states it will take the following actions respecting employees who fail to timely complete ethics training:

- If an employee fails to complete the annual ethics training by December 31st, a non-compliant report is sent to HR Teams to assist the employee in completing the ethics training.
- If the employee fails to complete ethics training within 30 days of the deadline, a “Letter of Notice” is sent from the Inspector General’s office.
- If the employee fails to complete ethics training within 60 days of the deadline, a “Letter of Suspension” is sent from HR Leadership.
- If the employee fails to complete ethics training within 90 days of the deadline, HR Leadership may impose discipline on a case-by-case basis.

PRC Recommendation #3

HR should notify employees who fail to complete training of the consequences for doing so and should adhere to established disciplinary procedures to ensure that employees receive the required training and that discipline for not doing so is consistent across the organization.

3. New Employee Training

Section 403.01(A) of the Ethics Policy/ Code requires that new employees of the County attend ethics training within 30 days of hire. HR is responsible for conducting this training. (Ethics Policy/ Code §407.03(A).) Ethics training is included in the County’s New Employee Orientation.

Due to the pandemic, beginning in March 2020, new hire training was provided online via MyLearning. All newly hired employees were required to complete the online ethics course within 30 days of their hire date. For online training, a link to the ethics policy is

located within the course on the acknowledgment page. For in person training, the link is located on the back of the Assessment.

- The County hired 344 employees in 2020. Of these employees:
 - 277 completed 2020 ethics training.
 - 19 terminated employment in 2020 and were not required to complete the ethics training.

Compliance Concern #4

Of the 344 newly hired employees:

- 11 failed to complete 2020 ethics training at all. Of these 11:
 - 10 employees are/were in Justice Services.
 - 9 employees terminated employment with the County in the first quarter of 2021.
 - 1 employee terminated employment in April 2021.
 - 1 employee is active, and he is in Justice Services.
- 76 employees completed 2020 ethics training more than 30 days after hire, as follows:
 - 34 employees completed it between 31 and 60 days after hire.
 - 18 employees completed it between 61 and 90 days after hire.
 - 24 employees completed it more than 90 days after hire.
 - Of these 24 employees, 3 completed 2020 ethics training more than 200 days after hire.

PRC Recommendation #4

All new employees, whether full-time, part-time, temporary, or permanent must attend ethics training within 30 days of hire per County Code §403.01(A). To comply with law, this requirement must be applied consistently and employees who do not do so should be subjected to the appropriate discipline.

C. DISTRIBUTION OF ETHICS LAW/ ETHICS POLICY MANUAL AND POSTING OF WHISTLEBLOWER POLICY

HR is responsible for distributing the Ethics Law and the County Ethics Policy Manual to elected officials, employees, and board members, to post the County's Whistleblower Policy at County offices, and to maintain records of these activities. (Ethics Policy/ Code §407.03.)

1. Distribution of Ethics Law/ Ethics Policy Manual

Section 407.03(C) requires HR to "furnish a copy of the County Ethics Policy Manual prepared by the Department of Law to all elected officials, employees, and board members on or before the date of their first ethics training." In 2017, the PRC was informed that the County Ethics Policy Manual is posted on the AIG's website. On that website, the Ethics Policy is located by clicking on a tab titled "Everyday Ethics". Within that tab are three sub-files titled "Plain Language Ethics Updates", "Plain Language Guide" and "Ethics Law."

In the “Plain Language Guide” tab, readers are provided with the following statement:

“In 2017, the AIG prepared A Plain Language Guide to County Ethics Law. This guide was created to give a better understanding of the County Ethics Law. Throughout the Guide you will find explanations and examples illustrating the County Ethics Code, as well as links to previous AIG Advisory Opinions.”

A link to the 2017 Plain Language Guide is provided. Footnote No. 1 in this guide explains that the guide complies with the IG’s duties pursuant to Code section 407.01(M). This guide constitutes the County’s Ethics Policy Manual.

During on-line ethics training, HR notifies participants of the electronic link for the County’s full Ethics Policy Manual and Ethics Law (Title 4 of the County Code) on the County’s website and participants are required to sign an Acknowledgment form to confirm receipt of this information. For in-person training, the links to the County’s full Ethics Policy and Ethics Law are stated on the back of the Assessment form provided to employees after the training.

HR has confirmed its distribution of the Ethics Law/ Ethics Policy Manual to those employees who completed 2020 ethics training. Thus, PRC has no compliance concerns regarding HR’s adherence to this policy.

2. Posting of the County’s Whistleblower Policy

HR is responsible for posting the County’s Whistleblower policy at all County worksites. (Code §407.03(D, E).)

HR has confirmed that the Whistleblower policy is posted at all County worksites via the attached report of posting locations and the responsible employee. See Attachment B.

PRC has no compliance concerns regarding HR’s adherence to this policy.
