

APPOINTMENTS REPORT 2023

**Cuyahoga County
Personnel Review Commission**

Background

From its screening and civil service testing procedures, the PRC establishes lists of eligible candidates deemed qualified for hire. For competitive positions, the PRC ranks the candidates and certifies the first ten or top 25% of eligible candidates, whichever number is higher, to the County's appointing authorities. For non-competitive positions, the PRC certifies the entire eligibility list. The County's appointing authorities make appointments from these eligibility lists. Additionally, the County's Department of Human Resources (HR), in conjunction with an appointing authority, periodically recommends hiring decisions from these certified eligibility lists. HR creates personnel agendas that include the recommendations and obtains final approval from the County Executive.

This report documents a comparison of the PRC's eligibility lists and the Executive's personnel agendas for appointments made in calendar year 2023 to verify that persons appointed to classified civil service positions at the time of the personnel actions were on the PRC eligibility lists that the PRC certified for appointment.

Objective and Methodology

This report summarizes the personnel actions for classified civil service positions within the County Executive's organization and departments that occurred during calendar year 2023 and assesses the County's compliance with various applicable civil service laws. The attached spreadsheet (Addendum A) consists of the following information for 2023 personnel actions:

- Employee Name
- Type of Personnel Action
- Original/"Current" Position (if any)
- New Position
- Bargaining or Non-Bargaining status
- PRC Eligibility List Establishment and Expiration Dates and Candidate Rank
- Personnel Agenda Date
- Classified Status

The PRC worked collaboratively with HR and the Sheriff's Department HR to address questions and concerns that arose during the preparation of this report. The concerns the PRC initially identified have been resolved, explained, or confirmed.

The PRC acknowledges the assistance of Julie McNulty, the County's Talent Acquisition & Employment Manager, and Tanisha Morris, who during the preparation of this report was the Interim Administrator of Human Resources, who were both helpful in researching and resolving issues the PRC raised during this audit.

This report, as well as the raw data that accompanies the report, will be posted on the PRC's website at <https://www.cuyahogacounty.gov/personnel-review-commission/about-us/compliance-reporting>.

2023 COMPLIANCE REPORT

This report reflects a total of 1,104 reported personnel actions for permanent classified County positions in 2023, which is an increase of 184 from 2022 personnel actions. The 2023 personnel actions include:

- 735 original appointments,
- 208 promotions,
- 139 rehires,
- 2 reassignments,
- 4 lateral transfers,
- 1 transfer, and
- 15 demotions.

Temporary work levels (TWLs) are addressed in a separate PRC compliance report.

The PRC has confirmed that 99.7 % of the permanent classified personnel actions made by the County complied with civil service requirements (see Addendum A). Based on the information provided to the PRC at this time, the following personnel actions were not in compliance with the Ohio Constitution, Article XV, Section 10, Ohio civil service laws, Cuyahoga County's civil service requirements, and the PRC's Administrative Rules.

1. Insufficient Documentation of Conditional Job Offer Made While the Eligibility List Was Active

There was one candidate who was promoted from an expired eligibility list. The County produced documentation showing a conditional promotional offer was made seven (7) days after the eligibility list expired. (See Addendum A, Appointments Report, Item # 1061.)

PRC Recommendation: The conditional promotional offer letter was dated seven (7) days after the certified eligibility list expired. This demonstrates a lack of compliance with best professional practices and a potential legal violation. The PRC recommends that HR be cognizant of the effective dates of eligibility lists when extending conditional job offers. The PRC further recommends that HR prepare and preserve written and consistently formatted conditional job offers clearly dated prior to the expiration of the applicable certified eligibility list for all appointments.

For several 2023 personnel actions the eligibility lists had expired prior to the effective dates, however, HR provided documentation establishing that almost all conditional job offers were made while the applicable eligibility list was active. This demonstrates HR's

progress in maintaining records supporting compliance with civil service laws. The PRC commends HR for its efforts in this regard.

2. Two Candidates Were Hired Despite Failing the Civil Service Exam

Definition of an “Original Appointment”: Cuyahoga County Code (Code) Chapter 303 includes a description of the County’s civil service plan. Sections 9.01 and 9.02 of the County Charter authorize the PRC to create rules and policies related to administering the County’s civil service plan. The PRC Administrative Rules (Rules) set forth the policies and procedures governing the County’s classification plan administration.

Code section 303.05(a) defines an “Original Appointment” as the appointing authority’s selection of a candidate from an eligibility list of candidates passing a civil service exam. The PRC establishes eligibility lists to fill vacancies in the classified service. PRC Administrative Rule 11.01 further defines an “Original Appointment” and requires the PRC to certify to an appointing authority an eligibility list of applicants who passed the civil service exam; it is from a certified eligibility list that an appointing authority may select appointees. Thus, to comply with these civil service laws and rules, a person appointed to a classified position must have been selected from an active eligibility list that the PRC certified to the appointing authority.

This audit revealed that two candidates were hired despite failing the civil service exam.

One candidate was offered conditional employment at a hiring event. (See Addendum A, Appointments Report, Item #698.) In mitigation, before the candidate commenced work, HR removed him from the position.

The second candidate was not on the eligibility list for her position in addition to failing the civil service exam. (See Addendum A, Appointments Report, Item #467.) She was hired on May 22, 2023 (she was not hired at a hiring event), and more than three (3) months later, she voluntarily resigned on September 5, 2023.

PRC recommendation: The Ohio Constitution, Article XV, section 10, requires appointments and promotions in the civil service of the County to be made according to merit and fitness, to be ascertained, as far as practicable, by competitive examinations. The County appointed these individuals without the process all candidates are entitled to under law.

The PRC recommends that HR develop, implement, and utilize effective processes to ensure that all County appointments are made in accordance with the law.

To assist the County in obtaining 100% legal compliance in making appointments, going forward the PRC will strive to review the County’s monthly personnel agendas (received in Excel format) and notify the County of potential issues or violations of civil service laws within 45 days of our receipt of personnel agendas. This will hopefully provide the

County an opportunity to address and remedy potential civil service law violations before an extensive amount of time passes.
