**Addendum**

**Cuyahoga County**  
**Personnel Review Commission**

## **INTRODUCTION**

Cuyahoga County Charter Article IX, Section 9.02, and Chapter 407 of the Cuyahoga County Code (the Ethics Policy) state the Personnel Review Commission's (PRC) authority regarding the Cuyahoga County Ethics Policy. Chapter 9.02 empowers the PRC to review and audit compliance with federal, state, and local laws regarding personnel matters within the County Executive's organization and departments. This includes the "authority to submit reports and recommendations to the County Executive and County Council on issues of compliance."

The Ethics Policy requires the PRC to provide an annual report to County Council detailing employee ethics training provided by the Department of Human Resources (HR), ethics laws provided to employees, and HR's posting of whistleblower policies in County worksites. The specific requirements for these three areas are:

- **Training** – All elected officials, employees, and board members are required to complete ethics training within 30 days of assuming office. Thereafter, elected officials and employees are required to complete training on an annual basis. (Ethics Policy/ Code §403.01(A).)
- **Distribution** – A copy of ethics laws and the County Ethics Policy Manual prepared by the Department of Law shall be distributed to all elected officials, employees, and board members who shall acknowledge receipt. (Ethics Policy/ Code §§403.01(B), 407.03(C).)
- **Posting** – Whistleblower policies shall be posted with other employment law postings at County worksites. (Ethics Policy/ Code §407.03(E).)

## **CUYAHOGA COUNTY'S ETHICS POLICY**

The Charter and the Ethics Policy govern the duties of the Inspector General (IG), HR, and the PRC. The Ethics Policy, also known as the Ethics Code or Law, is stated in Title 4 of the Cuyahoga County Code.

## **INSPECTOR GENERAL'S DUTIES RELATING TO THIS COMPLIANCE REPORT**

The Agency of the Inspector General (AIG) has prepared a comprehensive Plain Language Guide/Ethics Policy Manual (Guide) to "assist County employees, elected officials, board members, contractors and lobbyists to better understand and comply with the County Ethics Code." (Ethics Policy/ Code §407.01(M).) This Guide is located on the AIG's website under the "Ethics" tab. (<https://www.cuyahogacounty.gov/inspector-general>.)

## **HUMAN RESOURCES' DUTIES RELATING TO THIS COMPLIANCE REPORT**

Ethics Policy/ County Code Section 407.03 states HR's duties. HR must administer ethics training, distribute a copy of the County's Ethics Policy Manual to all elected officials, employees, and board members who are required to receive ethics training, receive and maintain records of ethics certifications, and post the County's Whistleblower Policy at County offices. (Ethics Policy/

## 2023 ETHICS COMPLIANCE REPORT

Code §407.03(A), (C), (D).) HR is authorized to enforce ethics compliance and may take actions necessary to do so. (Ethics Policy/ Code §407.03(E).)

### **COUNTY EMPLOYEES' DUTIES**

The Cuyahoga County Employee Handbook Section 4.01 outlines County employees' duties relative to the Ethics Policy. It states:

“All employees are required to demonstrate a high standard of ethical conduct. New employees are required to complete ethics training within the first thirty (30) days of their employment. All employees are required to complete ethics training annually. The County has an Ethics Code, which is administered by the Agency of the Inspector General. The Ethics Code can be found in Title 4 of the County Code.”

In accordance with the PRC's authority and responsibilities, the PRC's 2023 Ethics Compliance Report is stated below.

This Compliance Report, as well as the attachments to it, will be posted on the PRC's website at <https://www.cuyahogacounty.gov/personnel-review-commission>.

## **PRC'S 2023 ETHICS COMPLIANCE REPORT**

### **A. PRC'S OBJECTIVE AND METHODOLOGY IN PREPARING THIS COMPLIANCE REPORT**

This Compliance Report is intended to provide the Cuyahoga County Council with a summary of the County's Human Resources Department's (HR) compliance with the County's Ethics Policy, specifically Section 407.03 of the County Code.

The PRC and HR collaborated to compile information necessary to provide County Council with this Compliance Report in accordance with Section 407.02 of the Code. The Human Resources Department provided information for this Compliance Report in Attachments A and B. The PRC recognizes and thanks Kathy Jackson, HR Training Manager, and Brooke Deines, Employee and Labor Relations Manager, who provided HR's data.

The PRC compiled the following data to produce this Compliance Report:

- HR's 2023 Upholding Trust in Government report from the MyLearning recordkeeping system for employees of the Executive (2023 Ethics Compliance Report).
- Information concerning the recent Bulletin Board Audit HR conducted to ensure required legal notices and the current Whistleblower Poster were posted at County worksites.
- 2023 Whistleblower Policy poster.

### **B. PRC'S COMPLIANCE FINDINGS, COMPLIANCE CONCERNS, AND RECOMMENDATIONS**

All elected officials and employees are required to complete ethics training on an annual basis, and newly elected officials, newly appointed board members, and newly hired employees must complete ethics training within 30 days of hire. (Ethics Policy/ Code §403.01(A).) This compliance audit includes all employees hired or employed in the County Executive's organization pursuant to Charter section 9.02(2) during calendar year 2023.

As background, in 2021, the County's Human Resources department transitioned to a new Enterprise Resource Planning (ERP) system which is a county-wide integration of multiple business systems for the County. The overarching system is INFOR, which includes multiple modules to manage various HR operations, such as the talent acquisition module, the employee training module (MyLearning or LMS), the employee data module (Global Human Resources, GHR), and the benefits module.

The PRC does not have access to data in the MyLearning module of INFOR. Thus, we must rely solely on information from HR, because HR is responsible for maintaining records of ethics certifications from all Executive employees pursuant to Cuyahoga County Code section 407.03, as well as for maintaining records of the other compliance activities audited in this Compliance Report. Those activities include providing ethics training and the Ethics Policy to employees, elected officials, and newly appointed board members, posting the Whistleblower poster at County worksites, and maintaining records of these activities. It is important to note that data obtained from the MyLearning module is updated daily and reflects the current workforce only

on any given day. The data contained in the attached 2023 Ethics Compliance Report was captured on March 25, 2024, but reflects training activities from the period of January 1, 2023, to February 16, 2024.

**The County’s Approach To 2023 Ethics Training**

Starting October 30, 2023, the County offered the 2023 mandatory ethics training (also referred to herein as ethics training or training) to County employees. The first notification of the availability of ethics training on INFOR was communicated to all HR employees on November 2, 2023. Notice of the mandatory training was added to the Infor Homepage accessible to all employees on November 8, 2023.

Notice of the mandatory ethics training was included in the “In The Know” electronic weekly newsletter and podcast from November 13, 2022, through the end of December 2023 via a link to an article titled “Mandatory Ethics Training with the Inspector General”. The article contained a link to the ethics training course via the MyLearning employee portal in INFOR. The article advised that the 2023 ethics training is an annual requirement that had to be completed by December 31, 2023. Additionally, notice about the requirement to complete the 2023 ethics training was posted on the INFOR Landing page until the end of 2023.

For Executive employees who did not have easy access to a computer, HR held in-person training sessions at the Harvard Garage and the Justice Center, which are centralized locations. The dates and times of the in-person training sessions were stated in the article “Mandatory Ethics Training with the Inspector General.” The Harvard Garage training sessions were held six (6) times a day on November 28, 2023, and December 5, 14, 21, and 27, 2023. The Justice Center sessions were held in the morning and afternoon beginning November 13, 2023, through December 31, 2023.

The Ethics training in the “MyLearning” system was a 15-minute virtual video presentation, with questions interjected every two-or-so slides for viewers to answer with a required 70% pass rate. The in-person training did not include the questions. Employees taking the in-person training signed an attendance sheet which served as their acknowledgment of completing the training.

The County tracked employees who failed to complete ethics training in 2023. Starting the week of December 1, 2023, and continuing through January 2024, HR tracked ethics training attendance via weekly compliance reports that were sent to the HR Managers. Beginning in January 2024, the HR Managers directed the supervisors of the non-compliant employees to advise them of the requirement to complete the 2023 mandatory ethics training.

On January 17, 2024, HR advised non-compliant employees (who were not on leaves of absence) that if they did not complete the ethics training by 4:30 p.m. on January 31, 2024, they would be subjected to progressive discipline.

All but three (3) active employees completed the training by January 31, 2024, and these three (3) employees completed the training by February 16, 2024, as demonstrated in the report titled “2023 Ethics Compliance Report for PRC” attached as Exhibit A. Two (2) of these employees received a verbal warning; the third employee was on a leave of absence and was not reprimanded.

### **1. 2023 Ethics Training of Executive Employees**

HR provided the PRC with the “2023 Ethics Compliance Report for PRC” (also referred to as Compliance Report or Report) dated March 25, 2024. The Report contains data taken from the LMS system on March 25, 2024. As stated above, when a report is run from the LMS system it reflects the employees in active status on that date, but it does not include data for employees who were active in 2023 but left employment in 2024.

Data in the March 25, 2024, Training Report shows that all Executive agency employees who were active as of that date completed the required 2023 ethics training (although 41 of them completed the training in 2024).

Of the 4,414 Executive agency employees who were required to complete 2023 ethics training:

- 4,308 completed it as of December 31, 2023.
- 41 employees completed it as of January 31, 2024, thereby avoiding progressive discipline.
  - Note: A total of 64 employees completed the training in January 2024. Of this number, 23 employees were newly appointed in December 2023 and completed the ethics training within 30 days of appointment. Accordingly, 41 employees failed to comply with the December 31, 2023, training deadline.
- 3 employees completed it as of February 16, 2024.
- 39 employees were on leaves of absence and were excused from taking the training.

### **Compliance Concern #1**

Section 403.01(A) of the County Code states that “... employees shall complete ethics training annually for every year of service with the County...” In the Executive agency, 41 employees failed to complete training before December 31, 2023, and thus violated the Ethics Policy.

The PRC is encouraged by HR’s efforts to improve the process it employs to ensure County Executive employees timely complete mandatory ethics training. Notably, by tracking non-compliant employees and personally notifying them of the deadline to complete ethics training, the number of non-compliant employees significantly decreased from 2022, in which 373 employees failed to timely complete the training, and from 2021, in which 415 employees failed to timely complete the training. The PRC commends HR for obtaining 100% ethics training compliance by February 16, 2024.

### **PRC Recommendation #1**

The PRC recognizes that through HR’s efforts in tracking non-compliant employees, all active Executive agency employees completed the 2023 ethics training by February 2024.

To reach this result, HR followed up with Executive employees who did not timely complete the ethics training, issued notices to complete the training, and clearly advised those employees that they risked progressive discipline if they did not complete the training by January 31, 2024. This process resulted in only three (3) employees who did not meet the January 31, 2024, deadline, and two (2) of these employees received verbal reprimands.

*The PRC recommends that HR continue striving to obtain full compliance with the ethics policy with 100% of Executive agency employees completing the annual training by December 31<sup>st</sup>.*

**2. New Employee Training**

Section 403.01(A) of the Ethics Policy/ Code requires that new employees of the County, elected officials and newly appointed board members attend ethics training within 30 days of hire or appointment. HR is responsible for conducting this training. (Ethics Policy/ Code §407.03(A).) Ethics training is included in the County’s New Employee Orientation and is offered online via MyLearning. For online training, a link to the ethics policy is located within the course on the acknowledgment page. For in-person training, the link is located on the back of the training evaluation.

**Compliance Concern #2**

The County hired 628 new Executive employees in 2023 who were active as of March 25, 2024. These employees were required to complete the 2023 ethics training within 30 days of hire. Of this number:

- 406 new employees completed the training within 30 days of hire.
- 23 employees were newly appointed in December 2023 and completed the ethics training within 30 days of appointment in January 2024, so they complied with the Ethics Policy.
- 199 new employees completed the training, but not within 30 days of hire.

In conclusion, 32% of newly hired Executive employees failed to complete ethics training within 30 days of hire in violation of the Ethics Policy.

**PRC Recommendation #2**

All new employees, whether full-time, part-time, temporary, or permanent must attend ethics training within 30 days of hire in accordance with County Code §403.01(A). HR did not ensure the timely training of 199 newly hired employees, who were required to take ethics training within 30 days of hire.

*The PRC recommends that this requirement be applied consistently and enforced by managers, directors, and HR personnel, and employees who do not timely complete the training in the time required should be subjected to the County’s progressive discipline policy.*

## **C. DISTRIBUTION OF ETHICS LAW/ ETHICS POLICY MANUAL AND POSTING OF WHISTLEBLOWER POLICY**

HR is responsible for:

- distributing the Ethics Law and the County Ethics Policy Manual to elected officials, employees, and board members; and
- posting the County’s Whistleblower Policy at County offices; and
- maintaining records of these activities. (Ethics Policy/ Code §407.03.)

### **1. Distribution of Ethics Law/ Ethics Policy Manual**

Section 407.03(C) requires HR to “furnish a copy of the County Ethics Policy Manual prepared by the Department of Law to all elected officials, employees, and board members on or before the date of their first ethics training.” In 2017, the PRC was informed that the County Ethics Policy Manual is posted on the AIG’s website. On that website, the Ethics Policy is located by clicking on a tab titled “Everyday Ethics.” Within that tab are three sub-files titled “Plain Language Ethics Updates,” “Plain Language Guide” and “Ethics Law.”

In the “Plain Language Guide” tab, readers are provided with the following statement:

“In 2017, the AIG prepared A Plain Language Guide to County Ethics Law. This guide was created to give a better understanding of the County Ethics Law. Throughout the Guide you will find explanations and examples illustrating the County Ethics Code, as well as links to previous AIG Advisory Opinions.”

Footnote No. 1 in this guide explains that the guide complies with the IG’s duties pursuant to Code Section 407.01(M). This guide constitutes the County’s Ethics Policy Manual.

During on-line ethics training, HR notifies participants of the electronic link for the County’s full Ethics Policy Manual and Ethics Law (Title 4 of the County Code) on the County’s website and participants are required to sign an Acknowledgment form to confirm receipt of this information. HR has confirmed its distribution of the Ethics Law/ Ethics Policy Manual to those employees who completed 2023 ethics training. Thus, the PRC has no compliance concerns regarding HR’s adherence to this policy.

### **2. Posting of the County’s Whistleblower Policy**

HR is responsible for posting the County’s Whistleblower policy at all County worksites. (Code §407.03(D, E).) HR has recently conducted an audit of County worksite bulletin boards to make sure the required legal postings and the Whistleblower policy are posted. HR created an audit checklist of documents that are required to be posted and provided the checklist to the HR Generalists responsible for maintaining the postings. Thus, the PRC has no compliance concerns regarding HR’s adherence to this policy.

**D. 2023 ETHICS TRAINING OF ELECTED OFFICIALS AND NEWLY APPOINTED BOARD MEMBERS**

Section 407.03(A) of the County Code requires that HR “shall receive and maintain records of ethics certifications from all ... elected officials, employees, and board members.” Section 403.01(A) requires every elected official, employee, and board member to “complete an ethics training program approved by the Inspector General within thirty (30) days of first assuming office.” Elected Officials and employees must complete ethics training annually.

The County Code defines an “Elected Official” as any person holding elective office specified in, or established pursuant to, the Charter and includes the County Executive, the Prosecuting Attorney, and County Council. (County Code § 402.01(E).) “Board Member” is defined to include members of any board, agency, commission, or authority established by or pursuant to the Charter or County Code who are appointed or confirmed by elected officials or county officers or directors. (County Code § 402.01(B).)

It is noteworthy that the PRC is responsible for providing an annual report of countywide ethics training (County Code § 407.02(A)), but HR is responsible for administering ethics training to all elected officials, employees, and board members who are required to receive ethics training under Title IV of the County Code (County Code § 407.03(A)).

Ethics Training of Elected Officials

The PRC verified that the County Executive, the Prosecutor and his employees, and County Council and its employees timely completed the 2023 ethics training.

Ethics Training of Newly Appointed Board Members

In the 2022 Ethics Report, the PRC raised the compliance concern that it did not appear HR was tracking the ethics training of members of several boards/commissions. The PRC advised that to the extent these boards/commissions are active and have members that are not current county employees or elected officials [who are already required to attend ethics training in those capacities], HR is required by the Code to receive and maintain records of ethics certifications for all newly appointed board members. For 2023, the PRC did not receive information pertaining to ethics training of board members appointed to their positions in 2023.

▪ **PRC Recommendation #3**

*As we recommended last year, HR should determine which board members (as defined in the County Code) are covered by the Ethics Policy, ensure that ethics training is provided to the newly appointed board members, and maintain records of the training certifications.*

## **ADDENDUM TO 2023 ETHICS COMPLIANCE REPORT**

The PRC writes this addendum following its presentation of the 2023 Ethics Compliance Report (Report) at the PRC's regular meeting of April 3, 2024. After the presentation, the County's Manager of Training from the Human Resources department advised the PRC that the data HR provided on the completion dates of new employee ethics training is incorrect. HR explained that it administers in-person ethics training for new hires on the first day of employment during the orientation session. At the orientation session, the new employees signed hard copy acknowledgement forms verifying they received ethics training, and HR's Talent Acquisition team placed the forms in the employees' personnel files. The Manager of Training manually input the 2023 new hire ethics training dates into the MyLearning learning management system (also called LMS) database. If a new hire also took the on-line ethics training offered to all employees that was offered at the end of October 2023, LMS overwrote the original ethics training date and recorded the latest ethics training date. LMS does not retain the dates of prior ethics training.

Due to the limitations of LMS, and based on this new information, the PRC's report that 199 new employees did not complete ethics training within 30 days of hire as required by County Ethics Code § 403.01(A), is likely not accurate. The Manager of Training clarified in person that all newly hired employees in 2023 timely completed ethics training, despite the inaccurate information in the LMS database.

**PRC Compliance Concern #4:** County Code § 403.01(A) requires "[e]very elected official, employee, and board member" to "complete an ethics training program approved by the Inspector General within thirty (30) days of first assuming office." In 2023 there were 628 new hires. Of those new hires, it appears that up to 199 of them may have engaged in two ethics training sessions, one being the in-person ethics training offered at orientation and the other being the on-line ethics training offered in November and December 2023 to all County employees. The MyLearning database only retains the most recent date of ethics training; thus, the initial ethics training dates for these employees are now unavailable.

**PRC Recommendation #4:** The PRC recommends that after providing newly hired employees in-person ethics training during their orientation sessions, HR should provide those employees with written notice that they are not required to participate in ethics training again until the following calendar year. The PRC also recommends that the notice of annual on-line ethics training given to all County employees should include a statement that new employees who received ethics training in the same calendar year are not required to complete the on-line training.
