

ADDENDUM No. 1

To: Applicants for: FY26 Juvenile Justice and Delinquency Prevention Title II Formula Grant

From: Cuyahoga County Department of Public Safety & Justice Services

Date: 8/27/26

The following are changes to the above referenced request for proposals (RFP):

In addition to the Evaluation Criteria outlined on pages 11 and 12 of the RFP, the criteria and points below will also be applied.

Detailed Budget (Max: 10 Points)	
Evaluation Criteria: Reasonable and necessary for the program or services.	
Score Tier	Evaluation Look-Fors & Guide
Excellent (9–10 pts)	The budget items are necessary to successfully implement the program, and the narrative clearly and thoroughly justifies the need for each item. The costs are reasonable and appropriate based on the proposed program activities and number of youth to be served. All costs are allowable per the RFP budget categories.
Adequate (6–8 pts)	The budget items are generally necessary to implement the program, and the narrative provides some justification for the proposed costs. The costs are generally reasonable based on the program activities and number of youth to be served, although some costs may lack sufficient detail or justification. The majority of costs are allowable under the RFP budget categories, with minor clarification needed.
Poor (0–5 pts)	The budget items are not sufficiently justified as necessary to implement the program, and the narrative provides limited or unclear justification for the proposed costs. Costs may be unreasonable based on the proposed program activities and number of youth to be served. One or more costs may be unallowable or do not align with the RFP budget categories.

This addendum does not extend the application due date.

All remaining terms and conditions of the RFP remain in effect, and this addendum therefore becomes part of the RFP.

Respectfully submitted,
