

Take A Reusable Bag When You Shop!

- Put a reminder at the top of your shopping list.
- Stash bags in your car or by the door.
- Keep a spare bag in your backpack, purse or glove box.

#BYOBags

EACH YEAR...

1,500
plastic bags

are accumulated by the average household

99%
of plastic bags

become litter or end up in landfills

5.5
million pounds of plastic

pollute Lake Erie, our source of drinking water

121,000
microplastic particles

are eaten and inhaled by the average person
