

# Retailer Social Media Examples— Incorporating the BYOBags Brand

 **Doki Doki Kawaii Shop**  
April 30 at 3:28 PM · 🌐

Dear friends, we're on a mission to eliminate plastic bag waste and encourage folks to use reusable bags! We now have the cutest cotton totes available just for this purpose! And beginning June 1st, we will entirely be switched over to paper bags made from 100% recycled paper and charging .50 cents per paper bag to really encourage folks to bring their own bags. We want to thank @cuyahogacounty for their support on this mission!
